Beware Falling Tortoises:

Beware Falling Tortoises Sheenagh Pugh, 1987 A falling tortoise is a bizarre way to meet one's end but it is typical of Sheenagh Pugh's wry humour that it finds a place in her poetry. The more humorous aspects of mortality and human frailty receive the same alert consideration as sombre subjects such as dictatorship, torture, the Dieppe raid and pollution. Whether describing the significance of the maximum break in snooker or exploring the mind of a Nazi, Sheenagh Pugh's individual voice resonates through her crafted poetry. [The Oxford Companion to English Literature](#) Dinah Birch, 2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata, this guide provides the reader with a comprehensive coverage of all aspects of English literature. *Poetry for the Earth* Sara Dunn, Alan Scholefield, 1992 While the state of the environment is a very current issue, passion and concern for the world around us is nearly as old as the world itself. *Poetry for the Earth* brings together a cross-section of some of the most beautiful and haunting poetry ever written in tribute to or in mourning for our magnificent landscapes. [Ruth Bidgood](#) Matthew Jarvis, 2012-06-15 This is the first full-length study of the poet Ruth Bidgood, who is best known for her long-term literary engagement with the landscape and communities of the mid-Wales region she has made her home. Considering her entire career to date, this volume provides detailed scrutiny of Bidgood's poetry from its genesis in her formative discovery of mid-Wales in the 1960s to her 2009 prize-winning volume *Time Being*. Whilst acknowledging the breadth of Bidgood's poetic work, this book argues that her most important achievement is her creation over many years of what has become nothing less than a mid-Wales epic. [International Who's Who in Poetry 2005](#) Europa Publications, 2004-08-02 The 13th edition of the *International Who's Who in Poetry* is a unique and comprehensive guide to the leading lights and freshest talent in poetry today. Containing biographies of more than 4,000 contemporary poets worldwide, this essential reference work provides truly international coverage. In addition to the well-known poets, talented up-and-coming writers are also profiled. Contents: Each entry provides full career history and publication details. An international appendices section lists prizes and past prize winners, organizations, magazines, and publishers. A summary of poetic forms and rhyme schemes. The career profile section is supplemented by lists of Poets Laureate, Oxford University professors of poetry, poet winners of the Nobel Prize for Literature, winners of the Pulitzer Prize for American Poetry, and of the King's Queen's Gold Medal and other poetry prizes. *Encyclopedia of British Poetry, 1900 to the Present* James Persoon, 2015-04-22 Presents a comprehensive A to Z reference with approximately 450 entries providing facts about contemporary British poets, including their major works of poetry, concepts, and movements. **Whitaker's Books in Print**, 1998 **Paperbound Books in Print**, 1992 [Selected Poems](#) Sheenagh Pugh, 2012-11-15 Here is the best of Sheenagh Pugh's early work, a generous and wide-ranging selection from her first four collections together with two dozen previously unpublished pieces. Notable inclusions are the prize-winning *M S A* and *Intercity Lullaby* and the much-anthologised *Sometimes Throughout*. A lively and enquiring mind is

brought to bear on how we live and die and how we might live more equitably Sheenagh Pugh approaches her subject unpredictably through Norse saga and snooker apartheid and falling tortoises in a poetry of invention and conviction At the heart of the book is the Earth Studies sequence a history of the world in 19 poems and the first major environmental poem of the green era Set in the indeterminate future it explores the rise of human civilisation and abuse of the Earth following them to their logical conclusion the death of the planet Ironic lyrical penetrating these poems typify the craft and passion of Sheenagh Pugh s writing Selected Poems ends with a section of Pugh s much admired translations of German poets such as Simon Dach Andreas Gryphius and Christian Hofmann von Hofmannswaldau

The Feminist Companion to Literature in English Virginia Blain, Patricia Clements, Isobel Grundy, 1990 The first international guide to women writers in English featuring both well known and obscure women writers from the British Isles and North America as well as writers from the Caribbean the South Pacific Australia Asia and Africa It includes not only poets dramatists and novelists but also diarists translators and spiritual autobiographers Most entries are biographical but there are numerous topic entries as well This book is the fruit of research by three editors and fifty specialist consultants

The Poetry Review, 1990 **The Poetry Review** Stephen Phillips, Galloway Kyle, Harold Monroe, 1987 *Poetry by American Women 1975-1989* Joan Reardon, 1990-12 Poetry by American women has been neglected by critics as well as publishers Thus this bibliography is a significant contribution to American literary history Highly recommended

Folk Music Sheenagh Pugh, 1999 Set in a country lying somewhere between Wales and central Asia in a time which might be the middle ages or the near present Folk Music is a rounded and satisfying portrayal of a small rural community its loves and its conflicts and the tensions which threaten its cohesion Central to the story is the convention that on marriage a woman does not speak to anyone except in private to her husband until the birth of her first child Through a subtly entwined narrative which tells the tale from a variety of perspectives Pugh crafts a story at once tender and thought provoking forcing the reader to confront the prejudices and preconceptions of contemporary sophistication This is a novel of rare depth power and ambiguity its central metaphor reaching beyond the lives of its characters paralleling our modern dilemma does the abandonment of tradition leave us only with rootlessness and dislocation Sheenagh Pugh is known to thousands of poetry readers for Sometimes her much anthologised poem on the underground and for her Selected Poems a set text in schools She currently lectures in Creative Writing at the University of Glamorgan and has won numerous prizes for her work including the Babel Prize for translation and the ACW Book of the Year in 2000
