Redmond,2025-06-27 Healing: the Path to Freedom Dr. Michael D. Winer,2014-08-20 Praise for Healing The Path to Freedom What Michael has apparently discovered and teaches is that how we interact with life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to lookliterally in ourselves The remarkable almost unique aspect of Michaels work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be

an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold Blessed Are the Ignorant Osho,2024-05-02 Deva means divine and agyana means ignorance divine ignorance And this has to be understood All knowledge is superfluous Knowledge as such is superfluous And all knowledge creates only an illusion that we know we don t know You can live with a man your whole life and you can think that you know him and you don t know him You can give birth to a child and you can think you know him and you don t know him And whatsoever we think we know is very illusory , **Truth** ,1909 **Lola** Arthur Griffiths,1888 *Mutual Underwriter* ,1922 **The Tail of the Hemisphere, Chile and Argentina** Frank George Carpenter,1923 The author a geographer was known for his travel series Carpenter s World Travels which were published between 1915 and 1930 **Some Facts Every Author Should Know** William R.
