Beyond Ecstasy:

Beyond Ecstasy Kit Rocha, 2016-05-24 The O Kanes have a reputation for working hard and playing harder except for Hawk He joined the gang with one goal to ensure his family's survival through the impending war with Eden It's been years since he had the luxury of wanting anything for himself Now he wants Jeni From the first moment he saw her he's been obsessed with making her his Not for a night forever Jeni's been lusting after the former smuggler for months but he keeps shutting her down She's almost given up on getting him in her bed when he offers her the last thing she ever expected a collar Accepting it means belonging to him body and soul It's a reckless gamble but Jeni can't resist the chance to slip under Hawk's armor The only thing more shocking than the dark dangerous pleasure they discover is how right it feels But falling in love is even more reckless when forever is far from guaranteed Because they aren't just at war they're out of time and every breath could be their last

Beyond Innocence Kit Rocha, 2015-05-20 For years Jared has existed on the fringes of both Eden society and Dallas O Kane's Sector Four gang He travels between these worlds protected by his money and power money he earned selling his body and power that comes from knowing secrets He's untouchable until he starts a new life gathering intelligence for the O Kanes Lili Fleming walked out of Sector Five with a gun the bloodstained clothes on her back and an icy determination to survive She finds herself in a world where people live hard and love harder and nothing's more terrifying than how much the O Kanes wake her up make her feel especially Jared Emotion is a risk he can't afford and a complication she doesn't need But neither can resist the lust simmering between them and the sparks that could either melt the ice around both their hearts or get them killed Because the only thing more dangerous than loving an O Kane is loving a spy

Beyond Possession Kit Rocha, 2014-11-10 Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters All she wants is peace but the sins of her father haunt her He ruled the sector as a petty tyrant before the O Kane takeover and plenty of people harbor bitter memories of his cruelty Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution Zan failed his boss once and it won't happen again So when Dallas O Kane asks him to defuse the rebellion brewing in the sector he'll do whatever it takes to get the job done including seduce Tatiana It's the perfect opportunity to get closer to the pretty crafter and complete his mission But what he discovers is a fiery passionate woman and an affair that could destroy them both

Beyond Ecstasy Zareen Zubair, 2007

Beyond Ruin Kit Rocha, 2016-02-23 The explosive 7th book in the bestselling BEYOND series The sectors will never be the same Adrian Maddox fled his royal life and tragic past in Sector One choosing instead to join up with the O Kanes For years he's lived by one rule love fast love hard and always be willing to walk away He's managed to guard his heart keep it whole and untouched until now They couldn't be more different Dylan the brilliant burned out doctor from Eden who drowns his pain with drugs and self destruction Scarlet the sensuous sexy rocker from Three a woman unafraid to embrace the world And Jade the whore turned spy from Sector Two who battled addiction and came out stronger than anyone he's ever met

Separately they make Mad long to open his heart to tumble head first into a sea of possibilities and wild love Together they make him burn inside and out with lust and unbearable unimaginable pleasure Then one fateful moment shakes their world to its foundations and leaves the sectors on the verge of all out war with Eden It s the biggest fight the O Kanes have ever faced and Mad and his lovers are at the dead center of it They could end up with everything they never knew they wanted or lose it all Including their lives

Beyond Addiction Kit Rocha,2014-08-11 She s fought like hell to leave the past behind Trix changed her name and her life when she got clean four years ago Now she has a new family and a job she loves tending bar and dancing at the Broken Circle As an O Kane she s happy untouchable Until a nightmare from her old life tears her away from her home and drags her back to Hell also known as Sector Five He s still living and dying in it Losing Trix was the kick in the head Finn needed to get sober but working as an enforcer for a man he hates is slowly crushing his soul The only thing that keeps him going is his determination to destroy Sector Five from the inside Then Trix comes back into his life alive in danger and nothing else matters Getting her home could be a suicide mission The only thing deadlier is the old spark that flares to life between them Soon Finn and Trix are battling the one addiction neither of them ever managed to kick each other And it could cost them everything

Beyond Jealousy Kit Rocha,2014-03-17 She s been looking for the perfect man She found two When Rachel Riley sacrificed a life in Eden to protect the O Kanes she earned her place in the powerful Sector Four gang But the former crime princess is tired of being everyone s sweet little sister It s time for her to get wild to embrace her fantasies as only an O Kane can with a delicious exiled soldier and the gang s wickedly sinful tattoo artist A saint Lorenzo Cruz is a warrior taught by his commanding officers in Eden that involvement equals distraction Emotion is a liability and desire a sin In Sector Four he finds decadence shameless sex and his own dark urges No battle strategy prepared him for how Rachel makes his heart race or the way his rival for her affections sets his blood on fire and a sinner Ace Santana has a dirty reputation and a mind to match especially where his new lovers are concerned He s eager to help Cruz embrace his dominant side and to explore the lines between pleasure and pain with Rachel But corrupting them quickly becomes an obsession a need he can t deny and a love he never imagined Three hearts on the line means a hundred ways their m nage a trois could go wrong After all even O Kanes do forever two by two One of them could be the missing piece that makes them all whole or a temporary diversion destined for a broken heart
