Beyond the Border Kyle Conway, Timothy Pasch, 2013-06-05 An interdisciplinary look at a neglected region of the Canada US border The Land beyond the Border Johannes Becke, 2021-05-01 Based on three case studies from the Middle East The Land beyond the Border advances an innovative theoretical framework for the study of state expansions and state contractions Johannes Becke argues that state expansion can be theorized according to four basic ideal types a form of patronage patronization the imposition of a satellite regime satellization the establishment of territorial exclaves exclavization or a full fledged takeover incorporation Becke discusses how both irredentist ideologies and political realities have shaped the dynamics of state expansion and state contraction in the recent history of each state By studying Israel comparatively with other Middle Eastern regimes this book forms part of an emerging research agenda seeking to bring the research fields of Israel Studies and Middle East Studies closer together Instead of treating Israel s rule over the occupied territories as an isolated case Becke offers students the chance to understand Israel s settlement project within the broader framework of postcolonial state formation **South Africa** South African Native Affairs Commission, 1905 *The Border Magazine* Nicholas Dickson, William Sanderson, 1918 **The Principles and practice of dermatology** William Allen Pusey, 1907 **Gardening Illustrated** , 1905 **Willem Adriaan Van Der Stel** George McCall Theal, 1913 *The World and Its People* Charles Francis Horne, 1925 **Annual report** , 1893 Wilson's Tales of the Borders, and of Scotland John Mackay Wilson, 1888 *Wilson's Tales of the Borders, and of Scotland.
