**Beyond The Vows** Davorah Johnson,Joan Montreuil,2022-11-21 Introduction Why Do People Go Beyond the Vows Marriage is a covenant not a contract It s not just about saying I do once at the altar It s about choosing each other repeatedly especially when it s hard when it hurts and when healing feels like a mountain too steep to climb But let s be clear If there is abuse violence or danger your safety comes first God never calls us to endure harm in the name of love There is power not shame in walking away from what destroys you But for those who are dealing with wounds that can be healed betrayal broken communication emotional distance or the slow fade of intimacy there s hope People go beyond the vows because they believe in what they built They believe that love though battered is not beyond repair They see glimpses of what was and dare to dream of what still could be They fight not just for the marriage but for legacy wholeness and divine restoration They fight because forgiveness isn t weakness it s spiritual strength They go the extra mile because they know God is still in the business of resurrection even for dead places in the heart Going Beyond the Vows means doing the uncomfortable work Digging up roots of bitterness Facing the truth with honesty and grace Learning to trust again when trust has been shattered And allowing God to heal what you thought could never be whole again This is for the fighters The believers The ones who cry behind closed doors but still wake up and choose love This is for the ones who won t let go without first giving God a chance to show up and do what only He can Because if it s doable if there s willingness if there s still a flicker of love There s a reason to try
