Buddhism Beyond the Monastery International Association for Tibetan Studies. Seminar, 2009 Monasteries have been the locus classicus of the academic investigation of Tibetan religions This volume seeks to balance this emphasis with an exploration of the diverse religious specialists who operate outside of the monastery in Tibet and along the Himalayan belt The articles collected here depict Tantric professionals visionaries village lamas spirit mediums and female religious leaders whose loyalties reside in the noncelibate sphere but whose activities have had a significant impact on Tibetan religion Using methodologies drawn from anthropological and textual scholarship these seven essays bolster our understanding of religious practices and their performers beyond the monasteries of Central and Eastern Tibet Bhutan and India from historical times to the present day

Beyond the Shadows, 2014-10-31 Jeremiah was once the most feared name in the world for anyone who had heard of him He was the ruthless general of the demonic hordes on Earth Now he works for the other side Trying to reform the demon is now working with the prophets of the world to train some of their best and brightest youth Raul Habsburg is one of the most powerful members of a secretive organization called The Society of Minds For time immemorial the Society has striven to stay hidden while promoting the intellectual growth of humanity Like the world's prophets they have supernatural powers that set them apart from the rest of mankind as well as help them overcome their enemies evil and ignorance Unlike the prophets the Society doesn't have a devotion to a deity but their enemies are nevertheless the same Though they have never met Jeremiah and Raul have a common foe A new enemy going by the name of Adversary is forming a demonic army of his own to fill the void of power in the ranks of the fallen It falls on both Jeremiah and Raul to investigate this situation for their own sake and the sakes of those whom they've sworn to protect Despite a need to stay hidden Raul and Jeremiah must step into the light to face Adversary and keep him from being able to create his demonic army But neither of them has any idea what to expect as they step Beyond the Shadows
