## **Beyond Egotism:**

Beyond Egotism Robert Kiely, 1980 Compares the way three modern novelists Joyce Woolf and Lawrence treat basic human relationships and suggests that all three develop the theme of the value of human interdependence Beyond the Ego David Mutchler, 2012-01-25 We live in a marketplace filled with valuable ideas for how to be happy yet people continue to suffer We are just now awakening to the principal source of our unhappiness and suffering which is ego Ego wreaks havoc in our daily lives from the pain that individuals couples and families experience all the way up to global tensions and international conflict Most people think of ego as an inflated sense of self importance but this is only a fraction of what it really is Ego is the misidentification of who we are as beings It drives us to think and behave in ways that are inconsistent and incongruent with whom we really are leading always to dissatisfaction and suffering The secret to finding happiness is to loosen ourselves from egos painful grip by going beyond ego and entering the world of Spirit the source of true joy and peace To do so we must first travel through the ego Without proper guidance this trip can be perilous because ego to ensure its own survival makes every attempt to derail us along the way Beyond the Ego is an easy to follow step by step guide to help you make this journey safely The seeds of happiness joy and peace of mind will take root at the outset of your journey and continue to grow every step of your way Beyond EGO Attila Mády, 2022-05-03 Content A word about the Book and myself 3 Recommendation 5 0 FOREWORD 6 More and more people are looking for answers to life s big questions Who this way who that way Some are desperate and some are easily However this is not really important because we are all different The type of person who wants to spiritually solve the problems that arise and already has the connections can begin to smile He knows that things happen for a reason that he is not where he is by chance that he is not by chance with the people he is with and even if he does not know all the answers he becomes richer and more balanced with each recognition This is the force that always pushes man through his own limitations and makes himself more complete day by day 6 Dear Friend 7 I d like to draw your attention to a few things 7 What does this book want 8 I EGO 10 I see that all suffering all spiritual anguish has the same original cause the unbridled EGO This damn little jerk who always invents something to make our lives miserable as soon as we re not on guard enough 10 What is EGO 11 Why there is EGO 17 What can someone do about controlling his EGO 25 Ego and workplace 32 EGO and money 34 EGO and succes 36 EGO and art 37 EGO and health 38 EGO and GOD 39 EGO and pure LOVE 40 EGO and family 42 II THE DEVELOPMENT OF CONSCIOUSNESS 44 We are born we grow up we grow old and we die This is the development cycle of our body The same can be observed with everything that is part of the physical universe Even with our thoughts our emotions Although we ourselves are static that is we cannot determine our extent our place as spiritual beings our beliefs our characteristics placed on us and our EGO are constantly changing What changes we are going through what stages of development we are going through and where we are now can be easily determined by the following 44 III RELATIONSHIP 46 About the conflict of interest between the WOMAN and the MALE EGO

their game against each other the bitters and pleasures of love the difficulties of relationships and I could list the labels how much you have written books poems music songs how many films we have seen on the subject But to this day the problem has remained in the field of mysticism Yet how many wise and sound solutions have been found to find a way out of the maze of relationships for poor mortals on earth 46 EGO and love 47 The fundamental EGO differences between man and woman 49 Christmas tree effect 49 IV DETERMINATION 52 Stepping out of the shadow of my EGO I am illuminated by the light of infinite goodness beauty and creativity It s not an easy task but I m grateful that I ve decided not to give up and take back control of my life even if I have to do without a comfortable bed a big house or a luxury yacht for a while 52 Changes 53 V ENLIGHTENMENT 55 Enlightenment is the realization of how you are The question who am I can be answered with an almost infinite number of answers Each answer however ends in one ultimate truth Finding this ultimate truth will end your life so far and you can start living a true conscious life What is the ultimate truth That you are EVERYTHING AND NOTHING In the moment of enlightenment you realize that you are all the answers that have come to mind to the question and at the same time you are neither You are the option of any answer You can be anything And at the same time you don t have to be anything You decide who you are at every moment what personality traits you have and what kind of person you live as 55 To live in an enlightened life 56 VI DISCOVERING OURSELVES 58 You have certainly heard the good advice to be yourself and not to worry about other people s value judgments I m sure they ve told you to be true to yourself I see that people of mortal faith have no idea what this means exactly 58 The first step the need for self knowledge 59 Step two find a way 60 Meditation 60 Spiritual recreation 60 Opening up to the world 61 Self acceptance and change 61 Acceptance and change of our interior 61 Acceptance and change of our appearance 62 Acceptance and change of others 62 Fruition 62 Vigilance 62 Summary 63 VII MEDITATIONS 64 Consciously no one wants to harm themselves or anyone else no one wants to kill rule or fear Consciously we all want to live in peace calm happy rich The following meditations help us to find unconscious moments in our lives to make our unconscious decisions and thoughts conscious so that we can transform our fears into loved ones our desires into goals our unconscious moments into conscious moments 64 Listing technique 65 Meditations for being in PRESENT 67 Simple breathing meditation to unravel the EGO 67 Contemplation 67 Constant presence meditation 68 Mind relaxing meditation 69 Release meditation 69 Creation meditation 70 Love meditations 71 Love your friends meditation 71 Love yourself meditation 71 Love your money meditation 72 Glossary 73 VIII YOU ARE WHAT YOU THINK OF YOURSELF 74
