Beyond Terror Raoul D. Revord Esq,2011-09-01 She would be severely beaten and likely killed if she stayed but certainly killed if she tried to leave Was it self defense or was it murder To defend his client one lawyer from Michigans Upper Peninsula must find the truth in forensic evidence and through a sensational trial portray to the jury a drama of the life of Jean and John Davis Raoul Revords Beyond Terror tells readers this gripping story of a battered wife who suddenly is left no choice but to end years of domestic violence by killing her abusive husband Attorney David Chartier was spending quality time with his family in their cabin near the Upper Twin Lake when a phone call from a highly distressed woman broke the peace and serenity of that evening It was Jean Davis Davids longtime client calling from the Michigan State Police Post where she is being held for her husbands murder After years of physical and emotional abuse Jean abruptly realized that her only chance of staying alive was to kill her husband So begins Davids investigation examination gathering and analysis of forensic evidence that will provide a defense for his client Beyond Terror follows the proceedings of the trial beginning with Davids investigation at the scene until the final verdict from the jury and appellate decision of the Court of Appeals A shocking and unexpected end to the novel awaits readers A trial lawyer for forty eight years himself Revord delivers this fictional storybased largely on real eventswith much precision capturing the technicalities and the drama involved in criminal proceedings For more information on Beyond Terror log on to www.beyondterror.com **Beyond Terror** Chris Abbott,John Sloboda,Paul Rogers,2011-11-30 Is international terrorism really the single greatest threat to world security Since the 9 11 attacks many Western governments assume terrorism to be the greatest threat we face In response their dangerous policies attempt to maintain control and keep the status quo by using overwhelming military force This important book shows why this approach has been such a failure and how it distracts us from other much greater threats of climate change competition over resources marginalisation of the majority of the world and global militarisation Unless urgent coordinated action is taken in the next 5 10 years on all these issues it will be almost impossible to avoid the earth becoming a highly unstable place by the middle years of this century Beyond Terror offers an alternative path for politicians journalists and concerned citizens alike Beyond the Living Dead Bruce Peabody,Gloria Pastorino,2021-09-13 In 1968 George Romero s film Night of the Living Dead premiered launching a growing preoccupation with zombies within mass and literary fiction film television and video games Romero s creativity and enduring influence make him a worthy object of inquiry in his own right and his long career helps us take stock of the shifting interest in zombies since the 1960s Examining his work promotes a better understanding of the current state of the zombie and where it is going amidst the political and social turmoil of the twenty first century These new essays document interpret and explain the meaning of the still budding Romero legacy drawing cross disciplinary perspectives from such fields as literature political science philosophy and comparative film studies Essays consider some of the sources of Romero s inspiration including comics science fiction and Westerns chart his

influence as a storyteller and a social critic and consider the legacy he leaves for viewers artists and those studying the living dead

Beyond Globalization A. Aneesh, Lane Hall, Patrice Petro, 2011-11-17 Does living in a globally networked society mean that we are moving toward a single homogenous world culture Or are we headed for clashes between center and periphery imperial and subaltern Western and non Western First and Third World The interdisciplinary essays in *Beyond Globalization* present us with another possibility that new media will lead to new kinds of worldmaking This provocative volume brings together the best new work of scholars within such diverse fields as history sociology anthropology film media studies and art Whether examining the inauguration of a virtual community on the website *Second Life* or investigating the appropriation of biotechnology for transgenic art this collection highlights how mediated practices have become integral to global culture how social practices have emerged out of computer related industries how contemporary apocalyptic narratives reflect the anxieties of a U S culture facing global challenges and how design play and technology help us understand the histories and ideals behind the digital architectures that mediate our everyday actions
