Beyond The Reach Poems:

Beyond the Reach Deborah Cummins, 2002 Poetry Cummins is a poet with both hands in plain sight No manipulative literary affectations no illustrations of theory no personal mission other than to address us directly with clarity authenticity and above all with generosity Ted Kooser *Reach Beyond Reach* Jay Udall, 2023-04-15 Poetry single author new collection

An Art Beyond the Reach of Grace John Higbee O'Neill, 1972 **Beyond My Reach** M. E. Sapphire, 2003 An endeavor of love is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside *Beyond My Reach* is unique in that it was written from the free world to an incarcerated lover With much love more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years the length of their heated romance from a distance Ms Sapphire's amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem *I Close My Eyes* She never imagined then the poetry would someday amass into a quantity great enough to fill a book Written solely to verbalize new emotions of love each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system **BEYOND THE WALLS** Each day you face a dismal existence Wondering what's beyond that prison wall So many youthful years you've wasted What made you err you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent fearful and withdrawn The world is soon forgotten behind the walls As you obey endless ever changing rules Constantly watching your back danger lurks Fearing brawls protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You've learned your lesson freedom is overdue Your true love awaits you beyond those walls When you're thrust from that dismal womb Born again to embark on a new journey You'll emerge from your dungeon of doom March 12 2001 For more information please go to the www.mesapphire.com

Chinitz, Gail McDonald, 2014-03-31 **A COMPANION TO MODERNIST POETRY** *A Companion to Modernist Poetry* presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and

countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of contributors who have produced an intense focused study of modernist poetry

Poetry and Poetics, Greek and Beyond: Essays in Honour of M.S. Silk Fiona Macintosh, David Ricks, 2025-11-05 The publication of Interaction in Poetic Imagery With Special Reference to Early Greek Poetry in 1974 inaugurated Michael Silk 1941 as a Hellenist of exceptional learning and critical acumen as a strenuous and ambitious theorist of literature and as a comparatist of wide reach within the Western tradition The present volume honours this distinctive voice in literary studies with a range of chapters addressing some of his many interests reflecting his deep and growing influence over half a century and marking out areas for ongoing debate and development The 17 chapters range widely and address important issues in the following areas theory of literature Greek literature archaic to classical the German dimension classical reflexes beyond Greece and Germany the Language Question Neo Latin and modern Greek cases and classicizing in a recalcitrant age Poetry and Poetics Greek and Beyond Essays in Honour of M S Silk will appeal to scholars and students alike especially those concerned with poetry and poetics students of the classical tradition or to take a term which Silk disavows classical reception practitioners of comparative literary study and literary theorists
