## **Beyond The Rules:**

**Ethics beyond Rules** Keith D Stanglin, 2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today s complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the social issues present in today s culture abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community But thinking objectively and reasonably about our ethical commitments is a process that s rarely taught in contemporary education or even in churches Ethics Beyond Rules is a clear and accessible introduction for thoughtful Christians who want to lead moral lives who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand Stanglin s love based framework for moral decision making engages Scripture and the historic Christian faith giving Christians the tools to clear mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come *Crimea beyond Rules. Right to nationality (citizenship)* Regional Centre for Human Rights, Ukrainian Helsinki Human Rights Union, Expert-analytical group CHROT , During the occupation and subsequent annexation of the Crimean peninsula the Russian Federation announced all Ukrainian nationals living in Crimea its subjects Residents of the occupied territory faced a difficult choice On the one hand by obtaining Russian passports they formally took the oath of allegiance to the State which had committed an act of aggression against their sovereign country On the other hand during a short period of time in fact 18 days they could try to submit the declaration about the willingness to retain the nationality of Ukraine to one of the four offices which accepted such declarations in Crimea In this case they suddenly became foreigners at home and were severely limited in their rights Using the imperfection of international standards in this ng situations of statelessness and resolving cases of dual nationality Arbitrary change and imposition of a nationality became a new challenge to which the world was not ready Having imposed its nationality the Russian Federation forced into loyalty the population of the occupied peninsula under threat of criminal liability see Art 275 of the Criminal Code High Treason *Crimea Beyond Rules.
