Meditation for Beginners Abigail Mason, 2013-02 In today's fast paced world many people are seeking a way to get away from it all and relax Meditation which is essentially a method to obtain a level of deep thought and relaxation is one way to find inner peace and tranquility Many people think of monks or other spiritual types sitting in crossed leg position and reaching states of bliss when they think of meditation but there are many ways to meditate While there are many ways to reach a meditative state there really are no right or wrong ways to meditate this would defeat the purpose only practice and finding ways that feel right for you Meditation has many health benefits and has been helpful in improving the quality of life for many But don't take our word for it You now have the chance to learn how to take your own life to a new level through meditation Meditation can be an enjoyable experience and provide balance to an otherwise hectic life

Environmental Arts Therapy Ian Siddons Heginworth, Gary Nash, 2019-11-20 Environmental Arts Therapy The Wild Frontiers of the Heart describes what happens when we take the creative arts therapies and the people whom we work with out of doors in order to provide safe structured and accompanied creative therapeutic healing experiences The theoretical themes are developed along with illustrated examples of clinical practice across a variety of settings and locations The work is introduced and co edited by a pioneer in the field Ian Siddons Heginworth who describes the emergence of environmental arts therapy and its growth across the British Isles supported through the training course based in London The following 12 chapters are written by contributing authors and creative arts therapy practitioners working with children adults and elders in schools adult mental health and private practice in Britain and Europe A central focus of the book is the clinical populations and settings in which clinicians work and it also describes the health benefits as well as the challenges faced when working out of doors This is a book about the emergence of a new creative therapy modality in the British Isles It shows the value of working with the natural cycles and seasons using an integrative arts approach including dramatic enactment role play poetry art making with natural materials storytelling and the use of bodywork through movement sound rhythm and the voice all held and reflected by our encounters with and in nature It is about our relationship with nature creativity and therapeutic healing and is written for trainers trainees and practitioners in the creative arts psychotherapy and ecotherapy
