20000

The image features a stylized, three-dimensional logo for "BEYOND 20000". The text is rendered in a bold, blocky font with a metallic, reflective finish. The letters are arranged in two lines: "BEYOND" on top and "20000" below it. The logo is set against a dark, starry space background. Several horizontal blue light streaks, resembling nebulae or light trails, are visible, with three prominent ones above the text and three below it. The overall aesthetic is futuristic and high-tech.

## **Beyond Year 2000:**

*Financial Success in the Year 2000 and Beyond* Larry Chambers, 2024-11-01 Today's investor faces a much larger challenge than those of just ten years ago. The size and complexities of the financial marketplace create confusion. The Dow Jones industrial average has doubled in the past two and a half years and 10,000 on the Dow is no longer a fantasy. Money keeps flooding into the market. The New York Stock Exchange daily trading volume is four times that of 1990. *Financial Success in the Year 2000 and Beyond* covers financial planning and asset management, the fastest growing segments of the financial services industry. In the old days, highly commissioned salesmen would simply tell their clients what products to buy. Today there are infinitely more choices and investment options to sort through and be concerned about. Technology has put complex investing tools into the hands of ordinary people without good advice on how to use them. Never have so many people experienced so much control over their financial futures yet felt a need for so much help. Applying lessons learned from past mistakes is hard and discouraging. Most people become investors without the wisdom of experience, getting the tests without first getting the lessons. *Financial Success in the Year 2000 and Beyond* explores virtually every aspect of financial planning and dispels many of the myths and mysteries surrounding investing and investments. The experts include Dennis R. Fletcher, CLU, ChFC, Oshkosh, WI; Joseph D. Longo, CLU, CFP, LUTCF, LIC, Troy, MI; Tom Nohr, CFP, RFC, Castro Valley, CA; Floyd L.
