Working It: Disruption Rules Greg Hutchins,2019-09 Are you Future Ready McKinsey the global consulting firm estimates that between the present and 2030 75 to 375 million workers need to switch jobs that will require new skills and new education just due to automation and tech disruption In terms of magnitude it s akin to coping with the large scale shift from agricultural work to manufacturing that occurred in the early 20th century in North

America and Europe and more recently in China But in terms of who must find new jobs we are moving into uncharted territory Those earlier workforce transformations took place over many decades allowing older workers to retire and new entrants to the workforce to transition to the growing industries But the speed of change today is potentially faster The task confronting every economy particularly advanced economies will likely be to retrain and redeploy tens of millions of midcareer middle age workers In this book we explore the Future of Work and how it s going to affect all of us in critical ways We look at Disruption Rules through the lens of paradigm shifts disruptive forces and VUCA Volatility Uncertainty Complexity Ambiguity We look at what causes these changes why it matters to you the reader how it impacts you and most importantly what you can learn and do as a result of these disruptions The main title of this book is Working It As the title implies Working It can be what you do to earn a living or what you do to have fun or how you live your life In other words Working It is all the stuff you do that have meaning and value for you So when you go through this book you ll notice that many of the stories go beyond what you do at the place that provides you income We focus on the meaning and things that are important to your Working It Disruption Rules When there s a disruption most of us find a job or career book to find answers and encouragement Most old school job books provide life career or job road maps Follow these steps and you ll get to where you want to be If you believe these principles and follow these practices you ll find a satisfying job and enjoy a substantial salary with guaranteed yearly increases In this book we want to get real provide insights and tell it like it is The Future of Work impacts people on a daily basis since it deals with our human needs wants and expectations The Future of Work is now So we d say that the Future of Work is important and relevant to the vast majority of people worldwide

Career Warfare: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Career Warfare : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
