

A sunset background with silhouettes of people pulling a rope across a gap. The sky is a mix of orange, yellow, and purple. In the foreground, a large teal circle contains the number 65 and text. In the background, three people are silhouetted against the sunset, pulling a rope that spans across a gap between two rocky outcrops. The person on the left is on a higher ledge, while the other two are on a lower ledge to the right. The rope is taut and glows with the light of the setting sun.

Caring God:

A *CARING GOD* Patricia A. David, 2021-10-06 The title should be The Caring God as He is the only God and He created all things here He showing His care to you as He sent His Son Jesus to pay the cost of mankind's sin that separates us from Him Read the poems included in this book to see more about Him This author has written other books about God Is There a God in Health Care? William F. Haynes Jr., Geoffrey B. Kelly, 2010-07-01 In this book a physician well known for praying with his patients and an award winning professor of theology share their insights on how religious faith can provide help in the healing process of today's health care ministry The authors avoid rehashing analytical theories on suffering and the miracles of healing they may have seen instead examining how personal faith can enhance the immune system how a spiritual outlook can help bear the burden of suffering and grief and how forbearance and forgiveness are crucial in maintaining a healthy attitude toward life Cura Animarum Ioan C. Veres, 2025-04-25 As artificial intelligence advances healthcare faces a profound ethical question Can machines truly care This book critically examines the rise of AI driven social robots carebots in patient care evaluating their benefits and potential harms through the lens of Christian ethics While AI may enhance efficiency and offer support in specific healthcare contexts it also risks dehumanizing care replacing genuine human presence with technological substitutes Grounded in a theology of covenant care this work builds its ethical argument around the biblical parable of the Good Samaritan emphasizing the irreplaceable nature of human compassion It presents theological and ethical criteria to guide the responsible use of AI in healthcare ensuring that technology serves rather than supplants the dignity of human relationships This book is essential reading for theologians ethicists healthcare professionals and AI developers navigating the intersection of faith ethics and emerging technology As healthcare increasingly integrates AI Cura Animarum challenges readers to consider where technology supports human dignity and where it threatens to erode the essence of genuine care Is AI merely a tool or does it risk redefining what it means to care *In God's Care* James Jennings, Karen Casey, David Spohn, 1991-02-01 In God's Care **Philippians 4 13 Bible Verse Magnified** Minister Skip "Shepherd" Moody, 2025-05-01 An exploration into the Bible verse Philippians 4 13 through the many attributes of God American Jewish Thought Since 1934 Michael Marmor, David Ellenson, 2020-05-22 Intro Contents Foreword Acknowledgments Introduction I God 1 Mordecai M Kaplan The Future of the American Jew 2 Abraham Joshua Heschel Man Is Not Alone 3 Hans Jonas The Concept of God After Auschwitz A Jewish Voice 4 Richard L Rubenstein After Auschwitz 5 Eliezer Berkovits Faith After the Holocaust 6 Erich Fromm You Shall Be as Gods 7 Marcia Falk Notes on Composing New Blessings Toward a Feminist Jewish Reconstruction of Prayer 8 Edward L Greenstein To You Do I Call A Critique of Impersonal Prayer 9 Sandra B Lubarsky Reconstructing Divine Power 10 Rebecca Alpert Location Location Location Toward a Theology of Prepositions II Revelation and Commandment 11 Marvin Fox The Condition of Jewish Belief 12 Aharon Lichtenstein The Condition of Jewish Belief 13 Will Herberg Judaism and Modern Man 14 Jakob J Petuchowski Revelation and

God's Generation of Hope Carl Barrett, 2024-11-27 In a day and age where society and culture are veering further away from the teachings of God s word in homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land Undoubtedly these times of confusion in the home schools and communities are escalating each passing day creating more division and disheartenment With all the spiritual threats robbing people s children of Hope something within the walls of the home must change for the well being of these young ones today more than ever If parents and family leaders don t engage with their children and rein in these apparent issues they will continue to see a generation of people spiraling out of control This book God s Generation of Hope is going to reveal some heart wrenching and eye opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God Someone must take ownership immediately for the children s state of spiritual survival Parents action is needed today to instill the Living Hope in the lives of the younger generation like never before
