the military efforts based in New Orleans from the disastrous Tampico Expedition to the formation of two companies of New Orleans Greys and their tragic fates at the Alamo and Goliad Whatever their motives Miller argues Texas became a life long preoccupation for many who attended that crucial meeting at Banks Arcade And the history of Texas was changed because of that preoccupation N ,2003 *Heritage Speakers of Spanish and Study Abroad* Rebecca Pozzi,Tracy Quan,Chelsea Escalante,2021-04-19 Heritage Speakers of Spanish and Study Abroad is an edited volume that provides emerging research on heritage speakers of Spanish in immersion contexts in theoretical empirical and programmatic terms This edited collection seeks to expand our understanding of heritage speakers of Spanish by incorporating research on their linguistic sociolinguistic and pragmatic development during and after a sojourn abroad by discussing the complexities of their identity formation and negotiation during immersive stays and by highlighting programmatic innovations that could be leveraged to better serve diverse learners in study abroad contexts This volume advances the fields of both heritage language education and research on immersion study in a variety of ways and will be of interest to scholars of applied linguistics sociolinguistics second language acquisition and educational linguistics especially those interested in study abroad programming and Spanish for heritage speakers Catálogo de los manuscritos del archivo de don Valentín Gómez Farías University of Texas.
