Carnage Cops And Deadlines:

Carnage, Cops, and Deadlines Roscoe Crosby Blunt, 2004 **American Book Publishing Record**, 2005 *Vigilantes* Kevin Grant, 2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson's character in *Death Wish* and its sequels. But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers. This book recounts the varied representations of such characters in films like *The Birth of a Nation* which celebrated the violence of the Ku Klux Klan and *Taxi Driver*, *Falling Down* and *You Were Never Really Here* in which the vigilante impulse was symptomatic of mental instability. Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears. True Crime Case Histories - (Books 16, 17, & 18) Jason Neal, 2025-07-01 36 Disturbing True Crime Stories of Murder and Deception Three Book Collection Volumes 16, 17, and 18 of the True Crime Case Histories Series. This series can be read in any order. Journey into the darkest corners of the human psyche with twelve meticulously researched accounts of unspeakable crimes that shocked communities and challenged our understanding of evil. From sprawling estates to quiet small towns, these cases reveal how murderous intent can hide behind the most ordinary facades, sometimes in places we least expect. A sampling of the stories includes: *The Butcher of Aberdeen*: In a quiet Australian town, a troubled woman with a history of violence transforms from slaughterhouse worker to something far more sinister. When her partner tries to leave, she commits an act so grotesque that even veteran police officers are left traumatized. *The House on Langworthy Road*: A desperate teenage girl seeking acceptance finds herself at the mercy of a group of sadistic tormentors. For seven horrifying days, they subject her to unimaginable suffering before their final act of cruelty on a remote hillside. *The Unraveling*: A young mother entered a Stanford chapel to pray and never came home. For forty-four years, her killer walked free while her family searched for answers until a forgotten clue finally revealed the truth. *The Dark Web Assassin*: When investigators discovered someone had paid thousands in cryptocurrency to have a Minnesota woman killed, they traced the digital trail. But what they uncovered was far more shocking than anyone had imagined. *The Greek Pilot*: A charming helicopter pilot promised a fairy tale life to his teenage bride. But when their perfect world began to crack, the truth horrified a nation and exposed the monster hiding in plain sight. *Apartment 9*: She thought she was safe. A quiet college town, a secure apartment near law enforcement, and a life filled with promise. But when a friend walked through her unlocked door, she stumbled into a nightmare: blood on the floor, the overwhelming scent of bleach, and a body left in the entryway. As investigators closed in, they uncovered a predator hiding in plain sight, his past more twisted than anyone could have imagined. *The Bedroom Basher*: A ruthless predator stalked women in their own homes, terrorizing an entire city. But when police arrested the wrong man, the real killer was free to continue his reign of terror while an innocent man paid the price. How did the justice system fail so catastrophically, and how many more suffered because of it? Plus many more shocking true crime stories, including three bonus chapters at the end. These cases
