Creative Giftwrapping For Busy People:

200 Job Ideas - Start Working Today Amy Jacobellis,2011 **Consider It Done** Julie Subotky,2011-02-01 There is nothing Julie Subotky can't get done. After all, as the founder and CEO of a lifestyle management and personal concierge company catering to the crème de la crème of New York, LA, and Aspen, she's used to fielding her fair share of formidable requests from wealthy and time-starved clients. Luckily, now you don't need to be a rock star socialite or millionaire to **Consider It Done**. In this charming and unique book, she shares her secrets for accomplishing hundreds of life's most bizarre, off-beat, and yet often inescapable tasks. Ranging from the unusual but useful to the seemingly impossible to the annoying but necessary, these include: How to hire a snake dancer for a party within 24 hours' notice; How to argue your way out of a speeding ticket; How to get a last-minute table at an impossibly overbooked restaurant; How to find a reputable pet psychic; How to get the best seat on an airplane; How to blow a date; How to fix a hole in the wall; How to get a wedding dress shipped halfway across the world; How to refuse a dare; How to change a tire; How to make a citizen's arrest; How to mix the perfect hangover cure; and countless more. Filled with practical tips, hints, and advice, as well as hilarious stories of near-mishaps, crazy wild goose chases, and outrageous requests from eccentric clients, **Consider It Done** is sometimes zany, often surprising, and yet always useful. After all, there may come a time when you actually need to know how to propose to someone in skywriting, replace a matching spoon from your great-great-great-grandmother's antique silver set, or simply make the perfect martini. When that day comes, this essential and completely one-of-a-kind book will be there to walk you through it.

She then fashioned the results into a daily column, 600 of which were published in total. Carl Anthony, author and leading expert on First Ladies, uses these columns and other writings of hers from that time, as well as a trove of revealing interviews he has conducted with her friends and colleagues, to offer a fresh and modern perspective on the young woman who would later become one of the world's most beloved icons. **Pageant**, 1953 **The Christian Working Mother's Handbook** Jayne
