R. S. Dhauni, 2023-05-20 We are pleased to present the revised edition of the series Foundation Mathematics for Primary
Classes Books 1 5 This series is based on the latest curriculum prepared and recommended by the Council for the Indian
School Certificate Examinations New Delhi The new curriculum for Classes 1 to 5 is designed to ensure that children build a
solid foundation in mathematics by connecting and applying mathematical concepts in a variety of ways This curriculum aims
to develop a number of mathematical skills and processes among children Main objectives of teaching and learning
mathematics at primary level are to Develop the mathematical thinking and problem solving skills and apply these to
formulate and solve problems Acquire the necessary mathematical concepts and skills for everyday life and for continuous
learning in mathematics and related disciplines Develop the necessary process skills for the acquisition and application of
mathematical concepts Create love and interest towards mathematics Make effective use of a variety of mathematical tools in
the learning and application of mathematics Reason logically communicate mathematically and learn cooperatively and
independently The present series has been developed and designed keeping the above objectives in mind This child friendly
series teaches Mathematics in such an interesting and comprehensive manner that even an average child has no difficulty in
grasping the fundamental concepts of Mathematics The Salient Features of this Series are A graded and spiralling approach
keeping in mind the age and level of understanding of the student Eye catching illustrations and child friendly layout to
kindle the imagination of the child and create an interest in the subject Each chapter begins with the heading Let Us Recall
which refreshes the concepts learnt in the previous class The fact box Remember highlights the important points Concept
detailing helps in conceptual understanding that refers to grasp of ideas Interactive exercises help in kids participation This
level of engagement makes it easier for kids to retain information Value Based Questions are meant to inculcate moral values
in the children Review Exercise at the end of each chapter checks the retention capacity and the level of understanding of
the students Assignments under the heading Mental Maths not only enhance the mathematical and calculation skills of the
students but also fortify the concepts already learned Let's Play introduces games that improves critical thinking problem
solving interaction and collaboration with peers Maths Lab Activities are meant to learn mathematical concepts through
various activities Two Model Test Papers one for Half Yearly Examination and other for Annual Examination have also been
added in each book It is hoped that the series will meet the requirements of the students teachers and parents alike
Suggestions and constructive criticism for the improvement of the books would be highly appreciated The Publishers
