Crime Fiction II:

Crime Fiction II Allen J. Hubin, 1994 Crime Fiction in German Katharina Hall, 2016-03-03 It provides English language readers with easy access to the history and development of German language crime fiction for the first time. Contains a chronology of German language crime fiction. Key dates, developments, and texts are presented in a tabular form at the beginning of the volume. This is a unique selling point new to the series and provides the reader with an at a glance overview of the volume. An introductory chapter that provides a comprehensive overview of the development of German language crime and its key concepts and trends from the nineteenth century to the present day including East German, Turkish, German Jewish, German, and regional crime. The chapter can be read as a standalone but also acts as a gateway to the volume's chapters. The chapters provide the reader with a wealth of information about key areas of crime fiction from around the German speaking world, an annotated bibliography of published and online resources. This will be particularly useful for scholars in the field. A map of the German speaking world that allows readers to see the majority of different geographical regions discussed in the volume. *The Encyclopedia of Contemporary American Fiction, 2 Volumes* Patrick O'Donnell, Stephen J. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
