People of the State of Illinois V. Mertz, 2004 *Tax Amnesties* Jacques Malherbe, 2011-01-01 The controversial assumption that underlies tax amnesties is that at least in some situations it is preferable to sacrifice the penalties for past non compliance and perhaps even the tax owing itself in exchange for improved compliance in the future Some commentators argue that tax amnesties actually undermine future compliance because some taxpayers may be encouraged to engage in non compliance in anticipation of future tax amnesty Consequently tax amnesties must be designed and implemented cautiously from a public policy perspective The scope of this highly relevant book is impressive It covers the experience with tax amnesties of a variety of countries deals with the constitutionality morality and economic effects of tax amnesties and discusses the compatibility of tax amnesties with international agreements in particular the Treaty of the European Community As the renowned international tax expert Brian Arnold L71 observes in the work s foreword The book is an important contribution to the literature on tax amnesties as there is no comparable source dealing with the topic It is timely because the elimination of bank secrecy and the proliferation of Tax Information Exchange Agreements with tax havens have led several countries to adopt tax amnesty programs

Legal Developments During 30 Years of Lithuanian Independence Gintaras Švedas, Donatas Murauskas, 2020-10-17 This volume provides an overview of selected major areas of legal and institutional development in Lithuania since the Restoration of

Independence in 1990 The respective chapters discuss changes in fields varying from the constitutional framework to criminal law and procedure The content highlights four major aspects of the fundamental changes that have affected the entire legal system the Post Soviet country s complex historical heritage socio political and other conditions in the process of adopting new rule of law standards international legal influences on the national legal order over the past 30 years and finally the search for entirely new national legal models Over a period of 30 years since gaining its independence from the Soviet Union Lithuania has undergone unique social changes The state restarted its independent journey burdened by the complicated heritage of the Soviet legal system Some major reforms have taken place swiftly while others have required years of thorough analysis of societal needs and the search for optimal examples in other states The legal system is now substantially different with some elements being entirely new and others adapted to present needs
