Living Into the Mystery Kelli Summers Sorg, 2014-10-13 Living into the Mystery combines the wit and wisdom of life experience and spiritual adventures in a series of letters that answer questions about faith and doubt creativity commitment and community Letter writing is a lost art Collected here are the letters of a compassionate pastor to the people who ask her questions in the strangest of places from airplanes to barnyards Arising from a pastor's heart these letters give voice to the struggles of the spirit and offer insight as well as compassion I found myself thinking of the times I wished I had written similar things to similar questioners These letters provide fertile reflection for pilgrims in every stage of the spiritual journey

The Catholic Doctrine of Non-Christian Religions Miikka Ruokanen, 2016-05-18 In the Second Vatican Council 1962-65 the Catholic Church for the first time recognized non-Christian religions as entities which the Church should respect and with which Christians should enter into dialogue There are however conflicting views in Catholic interpretations of Conciliar theology to what extent did the Council see other religions as means to salvation The author offers *The Catholic Doctrine of non-Christian Religions* according to the Second Vatican Council as the first comprehensive and analytic piece of research on Conciliar teaching concerning the nature of other faiths His study is based on the original Latin and covers Conciliar and pre-conciliar documents with special focus on the Declaration on the relation of the Church to Non-Christian religions *Nostra aetate* In his detailed and careful analysis Ruokanen demonstrates that *Vaticanum Secundum* understood non-Christian religions as naturally good entities part of human culture Religions express in many ways and to varying degrees the natural cognition of God and of natural moral law Except for Judaism they do not however possess the status of being considered channels of divine revelation or salvific grace The seeds of truth present in other faiths must be purified and perfected by the fullness of grace and truth given in Christ and entrusted to the Church
