Creative Ideas For Catechists:

Creative Ideas for Catechists Ruth Ann Rost, 1997-08 Rost takes us into the delightful dimension of creative catechetics with its powerful impact on children's faith learning. She first leads us in an exploration of our own creativity, our sense of prayer and our own sense of discipleship. She then suggests ways to enliven the gathering space using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation and procedure that make for successful empowerment of the children's faith learning. She also includes scores of practical ideas for involving primary and middle grade children in making prayer, helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation which must go hand in hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing and life impacting.

How to Be a Better Catechist Carl J. Pfeifer, Janaan Manternach, 1989-09-01 In *How to Be a Better Catechist* the authors respond to the most frequently asked questions drawing upon official Church documents, insights of other religious educators and their own extensive experience for their answers. A simple, concise style makes this a most practical and inspiring book for both parochial school teachers and once-a-week catechists.

[Creative Catechist](#) Janaan Manternach, Carl J. Pfeifer, 1991 Based on current catechetical theory and practice, this comprehensive training manual clarifies techniques and ideas for both new and experienced catechists.

Creative Connections for Catechists from A to Z Janet Schaeffler, 2009 Catechists have a lot on their plates. Teaching about the Catholic faith is not simple or easy, and who knows this better than they? The best catechists have learned that ultimately all of their teaching centers around Jesus, his teachings, the sacraments, the Eucharistic liturgy and all of our Catholic customs and traditions. These include Catholic Social Teaching. Jesus is at the heart here too for all social teaching focuses on loving and serving others as Jesus does. Here Sr Janet Schaeffler offers catechists creative and fun ways to focus on Catholic Social Teachings with those they teach and their parents. By doing so they are living their baptism as disciples of Jesus. And she describes all this from A to Z quite literally.
