Creeds More Or Less Credible:

Collected Fruits of Occult Teaching Alfred Percy Sinnett,1919 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1919 *The Subject Index to Periodicals* ,1920 **Light** ,1918 The Theosophist ,1919 **The Nineteenth Century and After** ,1918 The Saturday Review of Politics, Literature, Science and Art ,1918 *Wiseman Review* ,1919 **Ethical Addresses and Ethical Record** ,1910 The Dublin Review Nicholas Patrick Wiseman,1919 *The Church Quarterly Review* ,1919 The Nineteenth Century ,1918 The Twentieth Century ,1918 Twentieth Century ,1918 The Nineteenth century and after London **Church Quarterly Review** ,1919 The Ethical World ,1909 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1918 *The Dublin Review* ,1919 **The Credibility of Science and Religion** Paul Weingartner,2025-01-27

Weingartner compares criteria and basic assumptions for the credibility of scientific and religious belief systems It is shown that mankind has access to basic knowledge about a higher spiritual power and knowledge by conscience about what is obligatory or forbidden This is defended by further axiomatizations on basic terms as natural goods natural and moral law and conscience Scientific and religious belief systems are then compared thoroughly and by logical deduction and verisimilitude One main argument is that every kind of belief system has an upper and a lower bound of credibility yet a degree of credibility that leads to the impossibility of rational justification for scientific belief systems must not be required from religious belief systems Further topics are internal and external consistency local refutation mutual complementation between religion and theory of evolution as well as a comparison of the five world religions leading to general features of religion It is shown that one main yet basic axiom of morality is the principle of charity Finally the book concludes with the credibility requirements of science towards religion and those of religion towards science **Perfumery and essential oil record** ,1918
