Collected Short Plays:

Collected Short Plays James Erwin Schevill, 1986 In a time that emphasizes media spectacles the short play offers an exploration of minimal possibilities yet has the power to fix history in a moment's structure a flash of revelation The short play is a powerful and innovative theatrical medium relying upon compression and clarity rather than amplification and reducing character and action to a spare dramatic core Schevill uses the short play to explore the power of the American environment and its expression in singularly American idioms and rhythms This collection includes work produced between the late 1940s and the early 1980s ranging in theme from politics to marriage and sexuality to work and identity Many of the plays in this collection were originally performed at La Mama New York The Actor's Workshop San Francisco Magic Theatre San Francisco The Guthrie Theatre Minneapolis and the Wastepaper Theatre for short plays in Providence of which Schevill is a co-founder

The Collected Short Plays of Thornton Wilder Thornton Wilder, 1997 Volume One of the collected short plays by one of the greatest American playwrights of the Twentieth Century

Collected Short Plays Bill Cissna, 2017-06-22 In the current world of the theater the short play ranging from 1 minute to 60 minutes approximately has become increasingly popular and particularly the 10 minute play Collected Short Plays by Bill Cissna primarily shares the 18 10 minute plays he has written both produced and unproduced including monologues two horror genre plays and others with a 5 minute play thrown in

Small Packages Wendy MacLeod, 2010 From the mind of the writer of *The House of Yes* and *Juvenilia* comes this exciting new collection of short plays With characters ranging from a smooth talking salesman Snake Oil to a group of downtrodden college baseball players Division III each play features the unique wit and wordplay of celebrated playwright Wendy MacLeod

The Collected Short Plays of Thornton Wilder, Volume I Thornton Wilder, 2014-11-01 Thornton Wilder author of such landmark works for the stage as *Our Town* and *The Skin of Our Teeth* as well as the classic novel *The Bridges of San Luis Rey* is considered one of America's greatest men of letters This two volume publication collects the complete short works for the stage including a never before published one act play

The American Play Marc Robinson, 2009-01-01 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O'Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama
