Poetry

and the Fate of the Senses Susan Stewart,2002-01-20 What is the role of the senses in the creation and reception of poetry

How does poetry carry on the long tradition of making experience and suffering understood by others With *Poetry and the*

Fate of the Senses Susan Stewart traces the path of the aesthetic in search of an explanation for the role of poetry in culture

Herself an acclaimed poet Stewart not only brings the intelligence of a critic to the question of poetry but the insight of a

practitioner as well Her new study includes close discussions of poems by Stevens Hopkins Keats Hardy Bishop and Traherne

of the sense of vertigo in Baroque and Romantic works and of the rich tradition of nocturnes in visual musical and verbal art

Ultimately she argues that poetry can counter the denigration of the senses in contemporary life and can expand our

imagination of the range of human expression *Poetry and the Fate of the Senses* won the 2004 Truman Capote Award for

Literary Criticism in Memory of Newton Arvin administered for the Truman Capote Estate by the University of Iowa Writers

Workshop It also won the Phi Beta Kappa Society s 2002 Christian Gauss Award for Literary Criticism

The National

Union Catalogs, 1963- ,1964

The Work of Revision Hannah Sullivan,2013-01-01 Revision might seem to be an

intrinsic part of good writing But Hannah Sullivan argues that we inherit our faith in the virtues of redrafting from early

twentieth century modernism Closely examining changes made in manuscripts typescripts and proofs by T S Eliot Ezra Pound

Ernest Hemingway James Joyce Virginia Woolf and others she shows how modernist approaches to rewriting shaped literary

style and how the impulse to touch up alter and correct can sometimes go too far In the nineteenth century revision was

thought to mar a composition s originality a prejudice cultivated especially by the Romantics who believed writing should be

spontaneous and organic and that rewriting indicated a failure of inspiration Rejecting such views avant garde writers of the

twentieth century devoted themselves to laborious acts of rewriting both before and after publishing their work The great

pains undertaken in revision became a badge of honor for writers anxious to justify the value and difficulty of their work In

turn many of the distinctive effects of modernist style ellipsis fragmentation parataxis were produced by zealous

experimental acts of excision and addition The early twentieth century also saw the advent of the typewriter It proved the ideal tool for extensive multi stage revisions superior even to the word processor in fostering self scrutiny and rereading across multiple drafts Tracing how master stylists from Henry James to Allen Ginsberg have approached their craft *The Work of Revision* reveals how techniques developed in the service of avant garde experiment have become compositional orthodoxy

Channel Crossings Clive Scott,2017-12-02 Scott s subtle and adventurous analysis breaks new ground in textual understanding while his translations radically challenge established orthodoxies As he crosses back and forth between French and English poetry he has illuminating encounters with a wide range of poets from Labe and Shakespeare to Auden and Jaccottet The embodiment of gender in the sonnet the performance of the dramatic voice the inflexions of the self in the voice of lyric verse the landscaping of nature in the line of verse the interventions of the translator in the peculiar lives of the prose poem and free verse the tasks of the translator and the comparatist in a new age these are some of the issues addressed by Clive Scott in a sequence of essays as absorbing as they are original *Channel Crossings* is the recipient of the R H Gapper Prize for 2004 The Prize which is judged by the Society for French Studies recognises the best publication of its year by any French studies scholar working in the United Kingdom or Ireland The citation noted In his book Clive Scott gives a subtle and adventurous account of how processes of cultural exchange have played an active and enduring role in the development of the language of poetry in French and English over a period of several centuries Clive Scott s book was one of a number of very impressive works published in 2002 The judges choice was made in the light of the book s originality and its likely impact on wider critical debate on the language of poetry and on questions of method and approach in comparative literature

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Glossator Glossator,2009-09-05 Volume 2 of the journal *Glossator Practice and Theory of the Commentary* *Exploring Poetry* Macha Louis Rosenthal,Arthur James Marshall Smith,1973 An exploration of poetry through classic poems Faith and Doubt R. L. Brett,1997 This major new work from a leading authority touches on issues that are increasingly pertinent to the world today Pairing great writers from each generation who typify the contrasts and concerns of their age Professor Brett explores the complex interplay between faith and doubt in English literature since the Enlightenment Not confining himself to a biographical and historical approach he deploys his understanding of contemporary philosophy and ideology to throw a new

light on often neglected areas BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Dionysus and the City** Monroe K. Spears,1970
