Collecting Old Photographs:

Collecting Old Photographs Margaret E. Haller, 1978 Real Photo Postcard Guide Robert Bogdan, Todd Weseloh, 2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable Collector's Guide to Early Photographs O. Henry Mace, 1990 The works in this series will introduce new collectors to the hobby offer sound advice on buying selling and maintaining a collection give background information references clubs and museums and explain how to distinguish true value from reproductions and fakes *Auburn* Arthur Sommers, 2008 Auburn the county seat of Placer County was founded during the Gold Rush in 1848 Unlike many such towns in the Mother Lode Auburn has remained a vibrant and growing town ever since This city s relevance since the initial influx of gold seekers is due in part to its location at a nexus of transportation routes both old and new Halfway between San Francisco and Reno and at an elevation of just over 1 000 feet above the fog and below the snow Auburn is a very attractive place to live Furthermore it is a place with sincere respect for its roots as evidenced by its restored old town preserved courthouse building and other historic structures throughout town Auburn native Arthur Sommers received his bachelor of arts in history from San Francisco State College in 1972 and has been collecting historic artifacts of the Mother Lode for more than a decade In this volume of vintage photography Sommers presents an Auburn that has evolved from Gold Rush times while retaining much of its identity The majority of images in this book come from his private collection of early Placer County views of mining industry business and family life in the foothills of California The Images of America series celebrates the history of neighborhoods towns and cities across the country Using archival photographs each title presents the distinctive stories from the past that shape the character of the community today Arcadia is proud to play a part in the preservation of local heritage making history available to all *Istanbul (Deluxe Edition)* Orhan Pamuk, 2017-10-24 From the Nobel Prize winning author of My Name Is

Red and Snow a large format deluxe collectible edition of his beloved memoir about life in Istanbul with more than 200 added illustrations and a new introduction Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms His portrait of his city is thus also a self portrait refracted by memory and the melancholy or h z n that all Istanbulus share the sadness that comes of living amid the ruins of a lost empire With cinematic fluidity Pamuk moves from the lives of his glamorous unhappy parents to the gorgeous decrepit mansions overlooking the Bosphorus from the dawning of his self consciousness to the writers and painters both Turkish and foreign who would shape his consciousness of his city Like Joyce s Dublin and Borges Buenos Aires Pamuk s Istanbul is a triumphant encounter of place and sensibility beautifully written and immensely moving

Camera Graeca: Photographs, Narratives, Materialities Philip Carabott, Yannis Hamilakis, Eleni Papargyriou, 2016-03-09 While written sources on the history of Greece have been studied extensively no systematic attempt has been made to examine photography as an important cultural and material process This is surprising given that Modern Greece and photography are almost peers both are cultural products of the 1830s and both actively converse with modernity Camera Graeca Photographs Narratives Materialities fills this lacuna It is the first inter disciplinary volume to examine critically and in a theorised manner the entanglement of Greece with photography The book argues that photographs and the photographic process as a whole have been instrumental in the reproduction of national imagination in the consolidation of the nation building process and in the generation and dissemination of state propaganda At the same time it is argued that the photographic field constitutes a site of memory and counter memory where various social actors intervene actively and stake their discursive material and practical claims As such the volume will be of relevance to scholars and photographers worldwide The book is divided into four tightly integrated parts The first Imag in ing Greece shows that the consolidation of Greek national identity constituted a material cum representational process the projection of an imagery although some photographic production sits uneasily within the national canon and may even undermine it The second part Photographic narratives alternative histories demonstrates the narrative function of photographs in diary keeping and in photobooks It also examines the constitution of spectatorship through the combination of text and image and the role of photography as a process of materializing counter hegemonic discourses and practices The third part Photographic matter realities foregrounds the role of photography in materializing state propaganda national memory and war The final part Photographic ethnographies

Unequivocal Magic Alex Bertram, 2026-04-28 Unequivocal Magic speaks to the quiet power of photographs and their hidden creativity bringing readers into the author's own journey into the history of a 1910 portrait of iconic French actress Sarah Bernhardt What begins as a quest to recognize the work of her once renowned photographer Walter Barnett becomes a story about the female performer in the West whose use of image to innovate protest and survive public scrutiny can provide an enduring agency Alex Bertram has always found old photographs intriguing an interest augmented by her work as a picture researcher for a publisher On a visit to the Victoria and Albert Museum in London she saw a 1910 portrait of Sarah Bernhardt the famous French actress whose career by then had spanned half a century Beset with questions about this unidealized representation of the actress in her older age she wondered what the photograph could tell us about Bernhardt its photographer or the circumstances surrounding the making of the portrait Structured around the day Bernhardt had her picture taken in that London studio Unequivocal Magic traces the travel of the portrait on its life journey with Bertram returning again and again to this single day in 1910 Bertram's narrative likewise embraces her own creative response upon seeing the portrait for the first time enveloping that moment into her engagement with and close examination of the lives and work of both Barnett and Bernhardt Collections Historical & Archaeological Relating to Montgomeryshire, 1930
