**The Atkinson Collection - Secrets to the Law of Attraction Series** Dr. Robert C. Worstell, William Walker Atkinson, 2017-05-13 Where were you when you first heard of the Law of Attraction Was it watching a DVD reading a book or did a friend tell you excitingly about something new they discovered that explained so much Each of us even as we found this phrase in Internet searches coming up again and again has found something that intrigued us something that answered questions something that posed new ones The Law of Attraction has caused new discussion groups to pop up so that people could share their experiences and help each other explore this new topic In the early 1900 s an informal philosophy of New Thought found one of its voices in William Walker Atkinson who wrote over a hundred books on this subject The selected three books published in this collection all define and describe the Law of Attraction as well as providing practical exercises any reader can use to improve their life The ideas still ring true today as they did when first published Get Your Copy Now
