## **Collective Violence Law In Action:**

**Collective Violence** James F. Short, Jr., Marvin Eugene Wolfgang, Collective violence has played an important role throughout American history though we have typically denied it But it is not enough to repress violence or to suppress our knowledge of it We must understand the phenomenon and to do this we must learn what violent groups are trying to say Th at some choose violence tells us something about the perpetrators inevitably about ourselves and the society we have built This collection of provocative contributions addresses theory and research on violence as a group phenomenon The editors were co directors of research for the National Commission on the Causes and Prevention of Violence in the 1960s and many of the contributors to this volume were involved in that research Collective Violence distills their findings as well as takes a later harder look at the forms sources and meanings of riots and rebellion Short and Wolfgang consider the political implications of collective violence especially as it has appeared in the United States Th e book includes essays on theory comparative analyses based on anthropological and historical data studies of the role of police and other social control agents and summarizes discussions of U S public policy The contributions range from anthropologists descriptions of collective violence in primitive societies to general statements about the nature of collective violence Collective Violence is intended for use in a wide range of courses in sociology anthropology and political science In addition its fi ndings will interest anyone wishing insight into the nature of group violence in American society

**Collective Violence. Edited by James F. Short, Jr. [And] Marvin E. Wolfgang** ,1972 **Research in Education** ,1974 **Crimes against Humanity** M. Cherif Bassiouni,2011-04-25 This book traces the evolution of crimes against humanity CAH and their application from the end of World War I to the present day in terms of both historic legal analysis and subject matter content The first part of the book addresses general issues pertaining to the categorization of CAH in normative jurisprudential and doctrinal terms This is followed by an analysis of the specific contents of CAH describing its historic phases going through international criminal tribunals mixed model tribunals and the International Criminal Court The book examines the general parts and defenses of the crime along with the history and jurisprudence of both international and national prosecutions For the first time a list of all countries that have enacted national legislation specifically directed at CAH is collected along with all of the national prosecutions that have occurred under national legislation up to 2010 [Resources in Education](#) ,1974 **Criminology Theory and Terrorism** Joshua D. Freilich,Gary LaFree,2017-10-02 Although there has been an increase in research on terrorism across the social and behavioural sciences in the past few decades until recently most of this work has originated from political science psychology or economics Therefore our focus in this book on criminological conceptual frameworks and empirical studies that engage terrorism and responses to it is unique We include a distinguished group of researchers that offer their distinctive insights into criminological perspectives on terrorism The contributors focus on criminological perspectives that have rarely if ever been previously applied to the study of terrorism This includes a range of perspectives

from rational choice to social disorganization from strain to routine activities theory This volume will advance understanding of terrorism by taking advantage of criminological contributions and at the same time will serve as a useful update to the criminologists and their students already working in this area It would also be a helpful introduction to those criminologists and their students who would like to be more engaged in this important area of research This book was originally published as a special issue of *Terrorism and Political Violence* *Encyclopedia of Crime and Punishment* David Levinson,2002

Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003 **Document Retrieval Index** ,1974 **The Publishers' Trade List Annual** ,1977 **Law and Labor** ,1930 *International Survey of Legal Decisions on Labour Law* International Labour Office,1926 1925 1926 include legal decisions of England France Germany and Italy 1927 1938 also those of the United States **Choice** Richard K.
