in her home Kristine resolved to follow Jacob's spark his passionate interests Why concentrate on what he couldn't do Why not focus on what he could This basic philosophy along with her belief in the power of ordinary childhood experiences softball picnics s'mores around the campfire and the importance of play helped Kristine overcome huge odds The Barnetts were not wealthy people and in addition to financial hardship Kristine herself faced serious health issues But through hard work and determination on behalf of Jake and his two younger brothers as well as an undying faith in their community friends and family Kristine and Michael prevailed The results were beyond anything anyone could have imagined Dramatic inspiring and transformative The Spark is about the power of love and courage in the face of overwhelming obstacles and the dazzling possibilities that can occur when we learn how to tap the true potential that lies within every child and in all of us Praise for The Spark An amazing memoir compulsive reading The Washington Post The Spark is about the transformative power of unconditional love If you have a child who's different and who doesn't you won't be able to put it down Sylvia Nasar author of A Beautiful Mind Love illness faith tragedy and triumph it's all here Jake Barnett's story contains wisdom for every parent Newsday This eloquent memoir about an extraordinary boy and a resilient and remarkable mother will be of interest to every parent and/or educator hoping to nurture a child's authentic spark Publishers Weekly Compelling Jake is unusual but so is his superhuman mom Booklist The Spark describes in glowing terms the profound intensity with which a mother can love her child Andrew Solomon author of The Noonday Demon and Far from the Tree Every parent and teacher should read this fabulous book Temple Grandin author of Thinking in Pictures and co-author of The Autistic Brain
