

ANNOTATED INSTRUCTOR'S EDITION

# College Writing Skills with Readings

Sixth Edition

Over 2,000,000 students, 11,300 instructors, and 3,125 colleges and universities have succeeded with John Langan's approach. Ideal for writing courses that focus on the essay, *College Writing Skills with Readings, Sixth Edition*, features Langan's renowned clear writing style and wide range of writing assignments and activities that reinforce the four essentials of good writing: unity, support, coherence, and sentence skills.

"I long ago lost count of the number of instructors who have told me that the Four Bases really work. When you explain the four bases to students and make the bases really clear with a lot of activities, students get it, you can see the light in their eyes."—John Langan

Already the premier worktext for writing students, *College Writing Skills with Readings* continues to help students succeed with several new features that have been added to this sixth edition:

## FULL COLOR!

*College Writing Skills with Readings* now introduces an eye-catching full-color design. The use of color highlights key information for students, helping them make connections and find the information they need.

## VISUAL WRITING ACTIVITIES

To make writing assignments more engaging for students, Langan now illustrates one assignment in each of the pattern chapters with a photograph.

## RESEARCH

As they conduct research online, students must constantly evaluate the reliability of the information they find and hone their research skills to get better results. To help, John Langan has expanded the coverage of Internet research to include guidelines for using Google and for evaluating Web sites.

## AVOIDING PLAGIARISM

Chapter 22 now includes *A Caution about Plagiarism*, a new section that addresses this important topic in John Langan's inimitably honest and practical style.

## NEW READINGS

Five selections have been added to the text in this sixth edition, including selections by Bertrand Russell and Haven Kimmel. In addition, photos of most of the authors of the readings have also been added in Part Five.

## INTEGRATED MEDIA SUPPORT

Icons in the margins of the text let students and instructors know when more help is available in *AlpWrite 2.1* (grammar support software available separately) or on the Online Learning Center ([www.mhhe.com/langan](http://www.mhhe.com/langan)). The content of the Online Learning Center is also available on a student CD-ROM.
