Driscoll,2012-05-01 Introduction There are many misconceptions about credit scores out there There are customers who believe that they don t have a credit score and many customers who think that their credit scores just don t really matter These sorts of misconceptions can hurt your chances at some jobs at good interest rates and even your chances of getting some apartments The truth is if you have a bank account and bills then you have a credit score and your credit score matters more than you might think Your credit score may be called many things including a credit risk rating a FICO

score a credit rating a FICO rating or a credit risk score All these terms refer to the same thing the three digit number that lets lenders get an idea of how likely you are to repay your bills Every time you apply for credit apply for a job that requires you to handle money or even apply for some more exclusive types of apartment living your credit score is checked In fact your credit score can be checked by anyone with a legitimate business need to do so Your credit score is based on your past financial responsibilities and past payments and credit and it provides potential lenders with a quick snapshot of your current financial state and past repayment habits In other words your credit score lets lenders know quickly how much of a credit risk you are Based on this credit score lenders decide whether to trust you financially and give you better rates when you apply for a loan Apartment managers can use your credit score to decide whether you can be trusted to pay your rent on time Employers can use your credit score to decide whether you can be trusted in a high responsibility job that requires you to handle money The problem with credit scores is that there is quite a bit of misinformation circulated about especially through some less than scrupulous companies who claim they can help you with your credit report and credit score for a cost of course From advertisements and suspect claims customers sometimes come away with the idea that in order to boost their credit score they have to pay money to a company or leave credit repair in the hands of so called experts Nothing could be further from the truth It is perfectly possible to pay down debts and boost your credit on your own with no expensive help whatsoever In fact the following 101 tips can get you well on your way to boosting your credit score and saving you money By the end of this ebook you will be able to Define a credit score a credit report and other key financial terms Develop a personalized credit repair plan that addresses your unique financial situation Find the resources and people who can help you repair your credit score Repair your credit effectively using the very techniques used by credit repair experts Plus unlike many other books on the subject this ebook will show you how to deal with your everyday life while repairing your credit Your credit repair does not happen in a vacuum This book will teach you the powerful strategies you need to build the financial habits that will help you to a keep a high credit risk rating It really is that simple Start reading and be prepared to start taking small but powerful steps that can have a dramatic impact on your financial life *Keeping Score* Constance Carter, 2016-01-07 One of the most critical pieces to building wealth is having good credit Of the thousands of individuals I have helped become homeowners a great amount did not understand the value of credit or how to decipher a credit report It is the boogeyman in the closet that no one wants to deal with What they don't understand is that it is not as scary or hard to understand as they think And it is certainly not as hard to repair and maintain While there are truly legitimate credit repair companies out there others have made a fortune in doing basic credit repair functions that a consumer has the ability to do themselves This is not a quick fix credit repair book It is written to help you understand how credit works gives you tips on how to improve and maintain your credit shows you how to decipher a credit report and will give examples of some of my past clients who have done some of the tips I speak about and how it is improved their credit scores **Some Quick, Easy**
