Collected Poems Of James Laughlin:

The Collected Poems of James Laughlin James Laughlin, 1994 In the literary world James Laughlin is best known as the publisher of New Directions Books But he has also been a dedicated poet His work is both modern rich in technical experiment and ancient grounded in the Greek and Latin poets Guy Davenport has called Laughlin a very ironic Roman poet and a very salty Greek one Which is not to say that he imitates anybody or offers plaster casts of antiquities He is the youngest and most modern poet now writing in the United States He is the real thing Laughlin describes himself as a writer of light verse He can be witty but underneath the wit there are often pungent truths about the human condition His work is notable for its range of subject matter the originality of its invention his restoration of the classical tradition his wordplay his satire and the intensity of his love poems Few poets have dealt with the quandaries of love so acutely since Rochester and Herrick Who else today asks the critic Marjorie Perloff writes such bittersweet ironic rueful erotic tough minded witty love poems poems that run the gamut from ecstasy to loss This volume collects Laughlin s poems from 1935 to 1993 His *Random Stories* and *Random Essays* are also published by Moyer Bell The Collected Poems of James Laughlin, 1935-1997 James Laughlin, Peter Glassgold, 2011-09-01 The Love Poems of James Laughlin James Laughlin, 1998 Annotation As a poet the late James Laughlin was perhaps best known for his love lyrics This is a collection of his love poems Poems, New and Selected James Laughlin, 1998 In this collection of poems spanning a period of more than 60 years James Laughlin reveals himself as a master of the well placed word that penetrates the human heart The collection of over 225 poems will be a sea of treasure for both new Laughlin readers and those already familiar with his talent **Selected Poems, 1935-1985** James Laughlin, 1986 The Man in the Wall James Laughlin, 1993 James Laughlin has been called the American Catullus Like that most Greek of ancient Latin poets he elevated his everyday subjects with wit and clarity of language Love and hate death and aging politics literature travel the horrors of war Laughlin s muse spoke of all these things with a fresh directness that make his poems both timeless and contemporary The founder of New Directions Laughlin s efforts as publisher and poet had been to prolong and extend the old poetic traditions Poetry for him was in Gertrude Stein s phrase a continuous present in all times and cultures Laughlin developed his distinctive tight metrics with the advice of William Carlos Williams A longer comical line is found in the recent poems of Laughlin s cheeky doppelganger Hiram Handspring *Byways* James Laughlin, 2005 The long awaited memoirs of New Directions founder James Laughlin the late founder and publisher of New Directions was also a poet of elegance and distinction At his death in 1997 at the age of eighty three he left unfinished his long autobiographical poem *Byways* It is no exaggeration to say that his publishing house which he began in 1936 while still an undergraduate at Harvard changed the way Americans read and write serious literature Yet the man who published some of the greatest writers of the twentieth century remained resistant for most of his life to the memoiristic impulse In the end he found his autobiographical voice by adopting the swift moving line of Kenneth Rexroth s booklength philosophical poem

The Dragon and the Unicorn 1952 Byways weaves together family history the Laughlins were wealthy Pittsburgh steel magnates the poet's early memories and travels in Europe and America with his playboy father his years at Harvard first meetings with Pound the beginning of his publishing venture his reminiscences of close friendships with writers including W C Williams Thomas Merton and Kenneth Rexroth his postwar work in Europe and Asia with the Ford Foundation as publisher of its international literary magazine Perspectives and not least his many early loves The Lost Fragments James Laughlin, 1997 The Lost Fragments is a special collection by James Laughlin who recently passed away limited to only 250 copies and will not be reprinted Laughlin writes that my ancestor James a thrifty farmer sold his patch of land near Portaferry Co Down to emigrate in 1834 to Pittsburgh thus the poet invites his readers into his world and takes them to Ireland via the memories of his many visits there In lieu of joining the family's steel business James Laughlin turned to publishing founding New Directions in 1936 and building it into one of the world's most respected publishing houses His own first collection of poems was published in 1945 *The Collected Poems of William Carlos Williams* William Carlos Williams, Christopher MacGowan, 2014-10-29 Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first **In Another Country** James Laughlin, 1978 *The Collected Poems* Dylan Thomas, 1953 A Commonplace Book of Pentastichs James Laughlin, 1998 James Laughlin 1914-97 was a poet of distinction as well as the founding publisher of New Directions A Commonplace Book of Pentastichs the last book of his own that he helped to prepare is a compilation of 249 poems composed in a five line stanza form first introduced in *The Secret Room* 1997 A note to Thirty nine Pentastichs in that earlier volume explains a pentastich refers simply to a poem of five lines without regard to metrics The word is Greek derived from pentastichos though few survive from ancient times The present selection is of recent short line compositions in natural voice cadence many of them marginal jottings and paraphrases of commonplace book notations Musing on the full collection Hayden Carruth writes in his introduction For the reader it is a survey of literature that will never be found in the classroom praise whatever gods may be but indubitably will be found in loving and longlasting proximity on many a bedside table Here then are armchair marginalia and aper us to be savored at random **The Secret Room** James Laughlin, 1997 Poet and publisher James Laughlin is known in Italy as the American Catullus Like the Latin poet whom Laughlin calls master the subject at the heart of his work remains love the lack of love which is what makes evil but seen now from the wry often poignant perspective of old age The nearly 150 poems collected here address his mature theme in a variety of ways Cat Poems New Directions, 2018-02-27 A gorgeous gift edition dedicated to the mystery grace and charm of the cat Across the ages cats have provided their adopted humans with companionship affection mystery and innumerable metaphors cats cast a mirror on their beholders cats endlessly captivate

and hypnotize frustrate and delight And to poets in particular these enigmatic creatures are the most delightful and beguiling of muses Charles Baudelaire the sole source of amusement in one's lodgings as they go about purring prowling hunting playing meowing and napping often oblivious to their so-called masters Jorge Luis Borges you live in other time lord of your realm a world as closed and separate as a dream Cat Poems offers a litter of odes to our beloved felines by Charles Baudelaire Stevie Smith Christopher Smart Denise Levertov Lawrence Ferlinghetti Rainer Maria Rilke Muriel Spark William Carlos Williams Ezra Pound and many others

The Country Road James Laughlin, 1995 James Laughlin with this collection takes his place as one of the most original and accomplished contemporary American poets With Laughlin clarity is paramount He uses no excess decoration He has been called the best living love poet celebrating Eros in its many forms And at eighty years of age he writes of old age and death as few have In recent years Laughlin has explored new metrical directions such as the fastpaced colloquial rhythms of personal narrative in *Byways* his work in progress now offered in book form for the first time This last section of *The Country Road* is notable for the revelation of this form

BOOK JACKET

Remembering William Carlos Williams James Laughlin, 1995 A lifetime of memories a lifetime of writing a lifetime of publishing since 1936 what to do how to say it what is the organic form If you are James Laughlin founder and publisher of *New Directions* poet and friend of poets you adapt the narrative metric of one friend Kenneth Rexroth to tell the very personal stories of your other friends with verve compassion and a shrewd eye to the emotional truth of complex relationships You call the whole memoir *Byways* parts of which have begun to appear in literary journals But one part stands alone in your affections The section *Remembering William Carlos Williams* grows of its own accord and captures a relationship so perfectly that you decide to do it up as a little book and share it with a few friends who like the late James Merrill are enchanted I have been so delighted by your little book on Williams The charm of the presentation the counterpoint of narrative anecdote and illustration could not be greater It seems to be a perfect model for

books that might follow it while I cannot think of any precedent for what you've done To reach a wider audience
