psychologists have advocated the idea that certain societal beliefs and collective memories about the nature of the opponent the in group the history and the current state of the conflict distort the perceptions of society members and prevent them from identifying opportunities for peace But these cognitive barriers capture only part of the picture Could identifying the role of discrete emotions in conflicts and conflict resolution potentially provide a wide platform for developing pinpoint conflict resolution interventions Using a vast array of primary sources critical literature analysis and firsthand personal experiences in various conflict zones Middle East Cyprus Bosnia and Northern Ireland Eran Halperin introduces a new perspective on psychological barriers to peace Halperin focuses on various emotional mechanisms that hamper peace processes even when parties face real opportunities for conflict resolution More specifically he explores how hatred anger fear angst hope despair empathy guilt and shame combined with various emotion regulation strategies provide emotions based explanations for people s attitudinal and behavioral reactions to peace related events during the ongoing process of conflict resolution Written in a clear and accessible style Emotions in Conflict offers a thought provoking and pioneering insight into the role discrete intergroup emotions play in impeding as well as facilitating peace processes in intractable conflicts This book is essential reading for those who study intractable conflicts and their resolutions and those who are interested in the real world implication of recent theories and findings on emotion and emotion regulation [Towards a Bibliography of Critical Whiteness Studies](#) Tim Engles,2006 **Altruism, Intergroup Apology, Forgiveness, and Reconciliation** Samuel Oliner,2008-10 Comprehensive sociological research on the positive outcomes of altruism inter group apology forgiveness and reconciliation in ending group hatred after oppression genocide and war Provided by publisher **Index to Legal Periodicals & Books** ,2006 *Silence and Memory* Monisha Pasupathi,Kate C.
