Are you looking for a simple, beginner-friendly online business that you can start today with less than 100 and a computer? A business that you can run from anywhere in the world with just a laptop and an internet connection? Then Dropshipping is for you. Dropshipping can be very attractive because it helps to minimize all the above risk and cost while offering convenience and practicality. You don't need to be a computer wizard. You don't need thousands of dollars in capital. You don't have to tie up your money buying products you aren't guaranteed to sell. You don't have to manage a warehouse. The best part is that anyone can set up a Dropshipping business. This book covers the topic of Dropshipping and will teach you everything you need to know about building a successful dropshipping business. You will learn how the Dropshipping order fulfillment process works, how to find the perfect niche and products for your Dropshipping store, and how to find suppliers for your Dropshipping business. In addition, you'll learn how to build a Marketing Funnel that will allow you to drive potential customers to purchase your products. The term funnel identifies that part of marketing that has the task of directing users to buy your products with sponsored blogs, email marketing, and more. The funnel is commonly represented as a funnel but can actually be imagined more as a sieve as its task is to pass on qualified users to purchase your

products and disqualify those who are not targeted In this book you will be taught to understand The psychology of the customer How to identify your product and supplier niche How to create your online store and what advertising strategies to adopt What to do after starting your business How to speed up the construction of a sales funnel How to optimize the conversion rate to increase your profits How to optimize the setting of Google Analytics The information in this book has worked for countless other people with no prior experience starting an online business It ll work for you as long as you re willing to put in the work and follow the strategies discussed in this book Excited to get started Buy Now
