The Small Business Website Checklist Nick Loper, 2014-01-19 Why Your Business Needs a Website If you re doing business today online OR offline you need a website It s that simple Every day Google completes more than 5 billion searches Think some of those people even just a tiny fraction might be searching for what you sell If you don t have a website how will they ever find you This book is about setting up your web presence the right way or optimizing your existing website to reach more visitors Ultimately it s about generating more traffic more leads and more sales and profit for your small business Who is This Book For This book is for small business owners who Have a website but feel like it s not delivering the results it could Need a website but aren t sure where to start or who to trust for advice Are confused and intimidated when dealing with technical problems or contracting with programmers Have you been overpromised or oversold by web developers in the past You re not alone In fact it happened to me It seems like there s an entire industry out there trying to milk small business owners out of their hard earned cash But you don t need to be another victim Armed with this checklist you ll have a working knowledge of all the important elements of a truly awesome website one that presents your brand to the world and helps achieve your goals online After all isn t that what it s all about Why This List There is no shortage of resources when it comes to getting started online Some of these are genuinely helpful and many of those will be mentioned in the pages ahead But others just want to sell you some service you don t really need or get you to sign up for a hosting package through their affiliate link so they can earn a commission Do they really have your best interest in mind Many only give you part of the story or leave you with more questions than answers What s missing is a comprehensive checklist for small businesses to use when evaluating their current website or when planning out their new site That s where this book comes in I m a small business owner myself and have been working online for nearly 10 years In that time I ve come across too many amazing businesses with amazingly bad

websites Or worse local businesses I wanted to find information on and patronize but that had no website at all This checklist is my effort to help give small business owners the information they need to succeed online From one entrepreneur to another let s get started What are you waiting for Hit the Buy Now button and get started today **Flip the Site** JASMINE. LEEDS,2025-04-05 Want to make real money online without being a web developer or influencer Flip the Site is your no fluff guide to building simple websites and selling them for profit even if you ve never written a line of code Inside you ll learn What kinds of websites buyers actually want How to build niche sites quickly with free tools Where to sell your sites and how much to charge How to hand over the site and close the deal smoothly Ways to add just enough value to stand out without overbuilding You don t need to go viral You just need to know what sells Whether you want to flip one site a month or build a side hustle empire this guide will help you get started the smart way
