Alligators In The Swamp Power Ministry And Leadership

George B. Thompson Jr.

Alligators In The Swamp Power Ministry And Leadership:

Alligators in the Swamp: George B. Thompson,2005-09-01 What tools hold the greatest promise to assist pastors in leading congregations to be faithful witnesses for Jesus Alligators in the Swamp Power Ministry and Leadership with a foreword by Andrew Young attempts to answer this question George Thompson will show you that the topic is power Not a pie in the sky by and by version of power but a day to day dead serious in your face version of power Alligators in the Swamp aims its sights and enables you to explore the practice of power in human life

Alligators in the Swamp George Button Thompson,2005 Explores the nature of power and the challenges it proposes to pastoral ministry By using the metaphor of alligators in the swamp it illustrates the complexity of power and how it can be used effectively

Church on the Edge of Somewhere George B. Thompson Jr.,2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world

Bridgebuilding Alastair McKay,2019-06-30 There is a prevailing culture of niceness within churches which can lead to conflict avoidance suppression and denial Consequently ministers and church leaders often struggle to handle tensions difference and competing demands within their congregations Drawing on practical theology conflict theory family systems theory and experience Bridgebuilding will help church ministers and church members find more fruitful ways of engaging with tensions and conflicts in the life of the Church It offers numerous practical tools for transforming conflict into opportunities for personal and corporate growth It complements the Growing Bridgebuilders training course developed by Bridge Builders with CPAS

Integrating Work in Theological Education Kathleen A. Cahalan,Edward Foley,Gordon S. Mikoski,2017-03-09 If only we could do a better job of helping students at connecting the dots theological educators commonly lament Integration often proposed as a solution to the woes of professional education for ministry would help students integrate knowledge skills spirituality and integrity When these remain disconnected incompetence ensues and the cost runs high for churches denominations and ministers themselves However we fail in thinking that integrating work is for students alone It is a multifaceted constructive process of learning

that is contextual reflective and dialogical It aims toward important ends competent leaders who can guide Christian communities today It entails rhythms not stages and dynamic movement including disintegration Integrating work is learning in motion across domains and among and between persons It is social and communal born of a life of learning together for faculty staff administrators and students It is work that bridges the long standing gaps between school ministry practice and life It s a verb not a noun Here a diverse group of theological educators through descriptive case studies theological reflection and theory building offer a distinctive contribution to understanding integrating work and how best to achieve it across three domains in community curriculums and courses

I Refuse to Lead a Dying Church! Paul Nixon,2007-03-01 God has called all of us to lead healthy growing spiritual churches For this very reason Paul Nixon refused to lead a dying church Paul invites you to join his commitment in refusing ever again to lead a dying church This commitment entails six choices choosing life over death choosing community over isolation choosing fun over drudgery choosing bold over mild choosing frontier over fortress and choosing now rather than later *A Spiritual Companion to How to Get Along with Your Church* Beverly A. Thompson,2010-01-01 If you are like most pastors you earnestly thought you knew what the congregation you are serving was like when you answered God s call to serve them Something has opened your eyes and now you know that you really don t know The good news is you are ready to find out from Day One I thought I knew When churches are in crisis pastoral leadership is under attack and pastors and church officials struggle to find a way to better understand why things happen or don t happen Thompson s own pastoral experience led her to look beyond the popular family systems model to seek something that helps churches grow strong and pastors to become leaders She found solutions in George B Thompson Jr s book *How to Get Along with Your Church Creating Cultural Capital for Doing Ministry* and was inspired to develop a spiritual guide that strengthens the usefulness and effectiveness of his book Specifically keyed to *How to Get Along with Your Church* this spiritual companion provides 100 days of daily meditation and journaling for pastors who are learning with a culture model to lead their churches into a new understanding and rediscovery of their corporate calling

American Book Publishing Record ,2005 [Futuring Your Church](#) George B. Thompson Jr.,2015-06-09 A vision is not a mission statement declares George Thompson In the throes of establishing their congregational identity many church leaders resort to developing a mission statement which gets put in a file drawer and forgotten until the next budget review The problem is that mission statements focus on concrete achievements a vision in contrast establishes the larger picture of aim broad purpose and hopes In *Futuring Your Church* church leaders explore the congregation s heritage its current context and its theological bearings From the insights gleaned members can discern what God is currently calling their own church to do in this time and place Once this vision is found Thompson provides a simple organization model for applying the vision for making it work A practical helpful tool for futuring authentic ministry [Treasures in Clay Jars](#) George B. Thompson Jr.,2012-02-21 Thompson a prolific author of church leadership resources believes the continuing decline in membership of

mainline denominations and the increasing number of multicultural and multiracial churches call for a new way of thinking ministers must begin to see their ministry differently in order to do their ministry differently Treasures in Clay Jars is designed to provide persons in training for ministry with a paradigm shifting framework to interpret and work effectively with the complex dynamics of local faith communities Thompson takes an innovative approach by utilizing explicit and relevant conceptual and theoretical tools from the social sciences sociology economics and cultural anthropology to engage future pastors to minister effectively to twenty first century congregations The book discusses congregations in five different ways as social group as bearer of meaning as locus of exchange as collective capacity and as complex organization A study guide is included for church leaders who would like to engage their congregations in this new paradigm of ministry

The Top Ten Mistakes Leaders Make Hans Finzel,1994 Don't let this happen to you not even when there is a book like this to help you avoid the top ten leadership mistake

How to Get Along with Your Pastor George B. Thompson Jr.,2015-06-10 This is a book that tries to help church members step back and see the bigger picture An effective pastoral relationship is more like a couple who loves to dance together or a band that plays wonderful music If we spend too much time on the details without remembering that we want to dance and sing our church will not have much to offer to Gospel ministry This book then seeks to blaze a new trail for churches who want to thrive in authentic faithful ministry with their pastor In other words it is a book for churches who want to get along with their pastor It is a book for church deacons elders and other officers who recognize that a healthy trusting respectful relationship between pastor and congregation becomes the foundation for the church's vitality It is a book designed to give you the tools you need to help your pastor become the best pastor that she or he can be with you Statistics show that approximately thirteen hundred American pastors unwillingly leave their congregations each month These sudden changes have negative long term effects on both the pastor and the congregation Thompson believes it is extremely important to find practical easy to understand ways to train pastors and churches on how to approach disagreement much more constructively and shows how to do so in this new book

How to Get Along With Your Church George B. Thompson Jr.,2013-01-01 By culture George B Thompson Jr means not just racial ethnic economic or regional culture but also a congregation's way of doing things its history customs conventions and procedures In order to launch and maintain a successful ministry pastors and other church leaders must come to grasp that unique culture of their parish They must develop a culture capital within their congregations meaning that they invest themselves deeply in how their church does its work and goes about its ministries The author presses clergy to answer such questions as How well do I know what I'm getting into and Have I been adopted yet and even Is it time to move on The book is ideal for pastors in solo settings but pastors in multiple staff settings will also find the author's insights helpful

National Directory of Nonprofit Organizations ,2000

Welcome to the One Great Story! George B. Thompson,2020-09-02 The Bible is not easy to figure out Churches are filled with adults who are too embarrassed to admit

their sketchy knowledge and jumbled impressions of biblical material Even seminary trained pastors struggle to get a handle on the flow of the Scriptures from beginning to end No wonder so many people give up on the Bible and even the church This book claims that what gives the Bible its overarching integrity and lasting value is a narrative a storyline Readers who approach the Bible with narrative in mind will discover from Genesis to Revelation a story that begins at a certain point establishes a theme develops continues and adapts that theme and reaches a resolution of sorts Rather than a book by book treatment of the Bible this book identifies and traces a Story that stretches across the corpus of the canon a Story in which divine promise and human response constantly define each episode Text boxes reflection questions chapter questions and activities encourage the reader to engage with content at more than one level all along the way Engaging with the Bible can become exhilarating and gratifying

Forthcoming Books Rose Arny,1997-04 **Church on the Edge of Somewhere** George B. Thompson Jr.,2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world

Church on the Edge of Somewhere George B. Thompson,2007 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in
