Being Single in India Sarah Lamb, 2022-06-14 A free open access ebook is available upon publication Learn more at www.luminosa.org Today the majority of the world s population lives in a country with falling marriage rates a phenomenon with profound impacts on women gender and sexuality In this exceptionally crafted ethnography Sarah Lamb probes the gendered trend of single women living in India examining what makes living outside marriage for women increasingly possible and yet incredibly challenging Featuring the stories of never married women as young as 35 and as old as 92 the book offers a remarkable portrait of a way of life experienced by women across class and caste divides from urban professionals and rural day laborers to those who identify as heterosexual and lesbian to others who evaded marriage both by choice and by circumstance For women in India complex social cultural and political economic contexts are foundational to their lives and decisions and evading marriage is often an unintended consequence of other pressing life priorities Arguing that never

married women are able to illuminate their society's broader social cultural values Lamb offers a new and startling look at prevailing systems of gender sexuality kinship freedom and social belonging in India today **Almost Yesterday** Dennis Higgins,2013-07-01 Beautiful Cathy Callahan found love at the most unexpected time and place 1906 in San Francisco It was during the most destructive earthquakes in US history The trouble is she fell in love a hundred and ten years before she was born Could her best friend Dawn keep her from staying in the past Meet the most powerful time traveler of them all a lovable Golden Retriever named Hickory Dickory Doc Discover his unique and surprising origin Follow the adventures of the Time Pilgrims as they travel to many fascinating times of the past Go with Katya and Cyrus to England where they investigate the appearance of the Titanic in the Southampton docks meet the Beatles and experience the London Blitz firsthand Chase a mysterious man across time with Lesley and Seth as they experience three romantic world's fairs in Chicago 1893 1933 and 2033 During one Lesley runs into her teenaged self **Annual Report** Maine.
