Already Dead:

The Already Dead Eric Cazdyn,2012-04-16 This book considers how a culture of crisis management what Cazdyn calls the new chronic has come to dominate all aspects of contemporary life from biomedicine to economics to politics Drawing from his own experiences battling leukemia and the subsequent effects of his illness on the process of becoming a Canadian citizen Cazdyn unravels the logic of the new chronic where people find themselves suspended in a space between life and death

Our Reason for Being T. F. Leong,2022-08-11 Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way The heart of this book is an expositional commentary that interprets Ecclesiastes as authoritative Scripture It seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across Preceding the expositional commentary is an introduction to Ecclesiastes that presents a new approach to outlining and reading Ecclesiastes as a coherent speech It also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end This is to prevent one from getting lost when immersed in the trees of the expositional commentary Following the expositional commentary are two topical studies to give Ecclesiastes the breadth and depth of coverage it deserves The first is an interdisciplinary exposition on the meaning of life The second is an interpretive essay to defend exegetically the interpretation of Ecclesiastes as a coherent speech *The gospel pulpit.
