Michael Brown

Aluras Wish:

Alura's Wish Elizabeth Hallam, 1999 Sir Connor Warrick had a ferocious reputation both on and off the battlefield Despite his ill repute he was heir to a fortune that Alura's father had set his sights on Bound by her father's wishes and her honor Alura accepts an exotic gift from Sir Warrick But within the fire opals of this exquisite bracelet lies a powerful magic and a love rarer than any jewel

Karmilla Ian Wood, 2021-09-28 Karmilla is an unexpected visitor who intrudes upon the quiet life of Alura a refined but sheltered young woman living in her father's chateau in Switzerland Never has she encountered anyone like Karmilla who is worldly traveled educated and who has an ethereal beauty And very strange habits Where does Karmilla go at night when she disappears What is this strange malady which seems to afflict her Why does daylight hurt her eyes And what is happening to young women in the nearby village who seem to be falling ill and dying Alura is about to get an education but this Karmilla isn't your great grandmother's story The original work upon which this is based is Carmilla by Irish author Sheridan le Fanu His work is now in the public domain and mine is much changed from his original but it would be wrong not to acknowledge this outstanding creation of his with such a modern tone and it has to be said a slightly risqué approach to a vampire novella a quarter century before Bram Stoker's Dracula appeared on the scene His is not the first vampire story by any means but it is a remarkable one and you can find a free copy of the original online in various places I urge you to read that one as well

Surreal and imaginative physics lore and action. Bold sequels that build on the story while taking it in exciting directions. You should read these in order, but this is a standalone series.
