

A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with large, textured clouds, with a bright, golden light source (likely the sun) breaking through near the horizon, creating a strong contrast and illuminating the clouds from below. The overall mood is one of hope and resilience.

Always We Begin Again Leeana Tankersley, 2019-08-20 None of us wants to be sidelined stuck shamed or silenced But the difficulties of life have a way of putting us in a corner and we don't know how to move forward We see brokenness in our communities our relationships and our spirits It's so easy to blame ourselves or our circumstances to get bogged down in discouragement and toxic thinking But that's not what we were meant for and that's not how God wants us to live Leeana Tankersley has good news if you're struggling each new day is an opportunity to begin again In her warm tone and with her signature humor she offers 100 short readings to encourage and motivate you to begin again in your relationships with God your family your friends and yourself Because there is always a hand reaching toward you there is always grace available and there is always a chance to begin again **Always We Begin Again (Large Print Edition)** John McQuiston, II, 2026-03-03 This perennial favorite proposes a sustainable framework to create a more stable and fulfilling work life balance in an ever

invitation to come to him to learn how to work from a place of rest he was talking to people weighed down by ill fitting political economic and religious systems And his life and ministry offer a glimpse of a better way For centuries a practice called the Rule of Life built around rhythms of prayer work study hospitality and rest has provided a loving pathway for anyone who desires to live out the whole gospel More than a historic primer on an ancient practice an aspirational overview of spiritual life or a personal inventory focused on habits The Spacious Path offers companionship through personal narrative meaningful reflection and guided prayer for readers to return to as often as needed Rediscover an ancient Christian practice to reorient your life around the unforced rhythms of Jesus not by adding another ill fitting system but by walking freely and lightly on the pathways of listening and love in the way of Jesus
