born during that period has as every other mortal has only in a far stronger degree his destiny outlined within his proper constellation or star traced as a self prophecy an anticipated autobiography by the indwelling spirit of that particular star Primitive Occult Astrology was on the decline when Daniel the last of the Jewish Initiates of the old school became the chief of the Magi and Astrologers of Chald a In those days even Egypt that had her wisdom from the same source as Babylon had degenerated from her former grandeur and her glory had begun to fade out Chald an Astrology was believed in by most of the great men in history Judiciary Astrology is used today by the Kabbalists Eliphas Levi the French Magus teaches its rudiments in his Dogme et Rituel de la Haute Magie But the key to ceremonial or ritualistic Astrology is lost to Europe Hence our century of materialism shrugs it shoulders and sees in Astrology a pretender [Rosicrucian Fellowship Magazine](#) ,1915
