

At Americas Service

R Barnett

At Americas Service:

America's Service Meltdown Raul Pupo,2010-06-16 In this book an entrepreneur and CEO of a major technology company shares original service concepts that will enable any company to keep customers coming back What distinguishes America s Service Meltdown Restoring Service Excellence in the Age of the Customer is its striking originality and applicability to businesses of nearly every type and size Based on the author s extensive personal and professional experience the book offers a straightforward no nonsense model that clearly explains how to organize the modern enterprise for the delivery of service excellence Customer oriented companies can operate more effectively Raul Pupo argues by focusing on the critical success factors of service leadership that unequivocally believes they are in business to serve the customer a business planning process centered around the customer an organizational ethic of service up and down the ranks and an empowered motivated and competent frontline organization Readers will discover what it takes to serve customers superbly how excellent customer service profoundly improves profitability and how to identify the biggest obstacles to good service Most importantly they will be rewarded with concrete instructions that will enable them to deliver topnotch customer service every step of the way

Service America! Karl Albrecht,Ron Zemke,1985 This classic service primer shows how to make service quality an imperative in the organization and increase profits with customer loyalty EBOOK: Services Marketing: Integrating Customer Focus Across the Firm Alan Wilson,Valarie Zeithaml,Mary Jo Bitner,Dwayne Gremler,2012-06-16 The Second European Edition of Services Marketing Integrating Customer Focus Across the Firm by Wilson Zeithaml Bitner and Gremler uniquely focuses on the development of customer relationships through quality service Reflecting the increasing importance of the service economy Services Marketing is the only text that put the customer s experience of services at the centre of its approach The core theories concepts and frameworks are retained and specifically the gaps model a popular feature of the book The text moves from the foundations of services marketing before introducing the gaps model and demonstrating its application to services marketing In the second edition the book takes on more European and International contexts to reflect the needs of courses lecturers and students The second edition builds on the wealth of European and International examples cases and research in the first edition offering more integration of European content It has also be fully updated with the latest research to ensure that it continues to be seen as the text covering the very latest services marketing thinking In addition the cases section has been thoroughly examined and revised to offer a range of new case studies with a European and global focus The online resources have also been fully revised and updated providing an excellent package of support for lecturers and students
