At The Moon39s Inn Library Of Alabama Classics:

Mud on the Stars William Bradford Huie,1996-10-21 William Bradford Huie s first novel Mud on the Stars is largely autobiographical and is set in the years 1929 1942 As in many of his later books the theme here is of the education of the inexperienced youth which is after all the quintessential American story Drawing on his own boyhood Huie gives the reader a detailed account of rural life and race relations in the Tennessee Valley in the early years of this century including a vivid picture of college life at The University of Alabama during the Great Depression Through a careful weaving of characters and events fact and fiction Huie s novel captures the tumultuous times before World War II in the urban South times of social unrest and testing of new political ideologies The book s publication in 1942 was a huge financial success by the economic standards of the day and not only brought Huie the acclaim his talent warranted but also focused an approving national spotlight on this prolific Alabama writer

Rachel's Children Harriet Hassell,1990 Rachel s Children originally published in 1938 by Harper Brothers is a powerful story about a woman of immense psychological and spiritual presence attempting to work her way amidst structures of power property authority and genealogy in a world of laws and of other regulations created interpreted and administered by men It is about the particular problems of widowhood of single parenthood of solitary ownership and distribution of property of testamentary intention of standards of mental competence of statutory definition and standing in courts of law It is also simply enough a story about a woman s loneliness aging and impending death and a mother s love which is at once creative and destructive Philip Beidler s introduction places this novel within the scheme of the literature of the 1930s and traces the literary trends that influenced Hassell s writing He points to Hassell s definitive treatment of matters of agriculture commerce law class and race relations local manners and folkways in the regional setting of Northport Tuscaloosa and Tuscaloosa County Alabama in the early part of this century

The Tallons William March,2015-02-28 The Tallons is the second book in William March s Pearl County series In it the arrival of Myrtle Bickerstaff destroys the tranquil lives of the Tallon brothers Jim and Andrew

Devil Make a Third Douglas Fields Bailey,1989 The story is fictional but seems to have some basis in fact For example Aven is really Dothan Alabama Douglas Bailey s hometown

Foundation Stone Lella Warren,1943 The Store Thomas Sigismund Stribling,1985 Set in the author s native Tennessee Valley region of northern Alabama The novel s action begins in 1884 when Grover Cleveland became the first Democratic president since the end of the Civil War and it centers about the emergence of Colonel Miltiades Vaiden as a figure of wealth and power in the city of Florence Page 4 of cover
