Arcana Great listen with the kids enjoyable it s filled with deep meaning This book will assist in your inward journey Use it along with meditation to reach a better understanding of yourself and others MR I really loved this book I will be buying book 2 and 3 of this series for sure As I was reading it helped me to reflect on my life and when I ve been at each card and gave a lot of deeper meanings and shed some light on some of the cards I don t love to see when pulling for myself not only that it truly kept me captivated and interested to see how Follin felt after getting to the world Can t wait for his journey through the pentacles C A magical journey through the tarot Delightful to read also makes the tarot cards easier to learn remember I highly recommend this series whether you are a beginner or advanced tarot reader AC I really liked this story I really brought to live the major arcana and I think when I pull my cards this narative will make me smile as I reflect I am very much looking forward to the other stories in the Kingdom of Tarot MK I really enjoyed listening to this audiobook for me it is insightfull and inspiring I am using it as a personal leaning aid as I commence my own fools journey it s powerful and gifted narrative suits my own particular learning style it also helps give my journey perspective and a sturdy framework like the tarot BC I have just finished reading this marvelous introduction to the Major Arcana as I followed Follin The Fool on his journey through the Tarot Empire Noel takes a unique at least to me method to teaching the meanings of The Major Arcana cards by weaving together an interesting story about a journey taken by Follin I have always had a rudimentary understanding of the Tarot mostly through my profession but thanks to this well told story I have come to see more to the cards then I had imagined existed I found myself relating to Follin s journey on several levels which was quite a revelation Each story unveils new revelations about life to Follin at the same time explaining in easy to understand prose much like the use of parables the meanings to each card Each card has it s own specific meaning and yet Noel manages to blend them all together into a seamless story The cards all have interesting contributions to the journey my favorite cards were Death The Hierophant and The Hermit All in all from beginning to end I enjoyed this very much and would recommend this read to those who enjoy a good read and or have an interest in Tarot Major Acana cards RD Greetings I just finished the Swords book on Follin s quest If you have a release date for the Cups volume I ll be more than happy to buy a copy as soon as it hits Amazon kindle Thank you for writing such tales they have really helped me understand tarot better I ve been really trying to grasp the essence of Tarot for a few years because I plan to set up office and offer paid readings And this is not an exaggeration your books are just what many of us need as we re usually people that can relate to Follin s struggle I know for sure because I can actually feel it Thank you for the awesome gift and the inspiration You ll hear back from me when I get my much overdue success and I ll make sure to honor your work through my own and thanks again for bringing Follin to life AM I am really looking forward to the Cups book I ve listened to the Fools Journey 5 times its starting to sink in very well You are an amazingly gifted writer to have come up with this story and have given the tarot a voice words cannot describe my admiration I am so grateful you crossed my path to help me understand these complex subjects thank you CM Subscribers to
