Altar Egos:

Altar-Egos Cal LeMon, 2018-03-31 Why do so many feel discouraged or disconnected with church? Church people aren't perfect. We get that. As Christians we are called to a high standard in terms of communicating with love, respect, and honesty. Yet how often do we observe and experience corrupt communication that betrays, breaks down, and builds walls rather than builds up? What we often do not know is how to plow through our muted messes and hear that cleansing still small voice. This book will provide you spiritual windex to clean up and clarify your relationships and learn better communication skills that promote healthy, open communication and polishes rather than tarnishes our testimony. Truth is choosing to be honest with God and then honest with the person in your mirror. Let's stop avoiding the truth and instead embrace it. When you do, you can expect to enjoy ending continuous conflict in the Body of Christ. Learning specific verbal skills which will keep communication open and honest. Monitoring silent resentment from becoming permanent within the Church. Communicating anger without using intimidation. Admitting that as God's children we are constantly in a state of revision and renewal. Honestly saying I was wrong. Altar Egos offers hope for people of faith who know they can become vibrant, positive, and affirming disciples of Jesus Christ.

The Shnayim Mikra Companion Rabbi Jack Abramowitz, 2010-03-04

The Shnayim Mikra Companion collects the aliyah by aliyah synopses of every parsha that appear daily online as part of the Orthodox Union's Shnayim Mikra. www.ouradio.org/mikra. This handy volume, written in clear and engaging language, enables readers to get a quick overview of the weekly Torah portion, incorporating the interpretations of the Talmud, Midrash, and traditional commentators. The Shnayim Mikra Companion goes perfectly alongside Rabbi Abramowitz's Nach Yomi Companion volumes on Neviim, Prophets, and Kesuvim Writings.

Professional Christian Sarah Bereza, 2022-03-22

As church leaders, we live our lives within the spotlight of professional ministry. To best love and serve God and our neighbors, we aim to be the fullest, truest versions of ourselves. However, we often struggle to do so with integrity. What if our preaching or singing feels like a performance? Are we supposed to hide our imperfections and let people see only the shiniest parts of our lives? If you have ever felt like you're working under a microscope or that you've been put on a pedestal you don't want or deserve, know that you are not alone. Professional Christian gathers the wisdom from fifty church leaders in a variety of roles, including Sandhya Jha, Jacqueline J. Lewis, Bruce Reyes Chow, Nikki Toyama Szeto, and Will Willimon, on topics such as authenticity, privacy, boundaries, doubt, self-care, and the challenges of being held to a higher standard. The stories, advice, and wisdom from these leaders help to show us that thriving in ministry should not have to come at the expense of our identity and relationships. Written by a church musician with over twenty years of experience in ministry, Professional Christian helps church leaders learn to flourish as an integrated person of faith, living out their call to vocational ministry.
