Apocalypse: How Noah's Flood Destroyed Atlantis Dr. Sean Welsh,2020-07-15 Plato s Atlantis is a subject that has beguiled scholars and laymen alike for thousands of years The mysterious island kingdom of Atlantis was unknown to science until its discovery in the early twentieth century But the discovery was not recognized for what it was There is still great controversy over whether Atlantis was a mythical place or whether it is rooted in historical fact Many questions remain unanswered Where was the kingdom of Atlantis located Under what circumstances was it destroyed Could God have instructed Noah to build his ark in preparation for the same cataclysmic flood that destroyed Atlantis This book will attempt to answer the most salient questions concerning the history of Atlantis and tell the epic story of the island empire s final destruction by the Great Deluge

The Chronicles of All-Time: Dr. Jurgen Vanhauwe,2014-11-22 The Chronicles of All Time is a series of books that describe the nature of time space and reality with a central storyline the life of Dr Elliott Himmerept Very much like the best seller book Life of Pi this book describes the amazing awakening story of Dr Himmerept which is an alias for the author Dr Jurgen Vanhauwe Through his visits to Heaven which are described in this first book and many strange occurrences in his perceptual reality a multi cultural and intergalactic story starts to develop The entire series will help young and adult readers understand the nature of our Universe and the multi faceted role that we play during our human life experience While the setting and the story telling is meant to be science fiction it is up to the reader to discern what parts of the book may have been taken from the real life experience of Dr Jurgen Vanhauwe and what parts are science fiction Or maybe all of it is what truly transpired The first book in this series focuses on the remembrance of who we truly are as humans and the main character s journey to openness and acceptance that life is more than it seems through our five senses With insights from our distant past and futures it becomes clear that we are not alone in this Universe and that we are part of a much larger living entity This book will help you re evaluate what is possible and what is real or not Heritage
