American Academy of Forensic Sciences  
Past President (1968-1969)  
International Association of Forensic Sciences  
Past President (1962-1963)  
Canadian Society of Forensic Science*

The reader of this book will find practical descriptions of all methods of crime investigation. Along with traditional and modern techniques of investigation involving communications, computerization and organization, the author covers the sophisticated methods and equipment that are used in the crime laboratory. The text will be particularly useful to beginning investigators and students. Crime laboratory workers, lawyers, judges, law enforcement officials and other criminal justice personnel will also find it valuable.
