# An Introduction To The New Testament

**M. Eugene Boring**

## **An Introduction To The New Testament:**

**An Introduction to the New Testament** Raymond Edward Brown, 1997 While a wealth of information is contained in these pages the work's most impressive features are the basic summaries of each book a historical overview of the ancient Greco Roman world discussions of key theological issues and the rich supplementary materials such as illustrative tables maps bibliographies and appendixes

**An Introduction to the New Testament** M. Eugene Boring, 2012-10-13 This thoroughly researched textbook from well respected scholar M Eugene Boring presents a user friendly introduction to the New Testament books Boring approaches the New Testament as a historical document one that requires using a hands on critical method Moreover he asserts that the New Testament is the church's book in that it was written selected preserved and transmitted by the church Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre Christian Judaism and the world of Jesus and the early church He then examines the individual books of the New Testament providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters This volume includes helpful illustrations charts notes and suggestions for further reading Sections are laid out in a well organized manner to help students navigate the content more easily

*An Introduction to the New Testament for Catholics* Joseph F. Kelly, 2016-03-24 The title of this book may be a bit puzzling a Catholic introduction to the New Testament The New Testament belongs to all Christians and the modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations But there are questions and issues in the New Testament that are specific to Catholics such as the portrayal of Jesus mother Mary the commissioning of Peter and the Trinity In this volume Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the Bible It's a book that Catholic teachers can use rather than a book that presents them with problems they have to explain Kelly helps readers to understand what modern scholars especially Catholic biblical exegetes say about the individual books because we cannot understand what role Jesus can play in modern life if we don't understand what he meant to the earliest Christians The New Testament tells the story of Jesus the most remarkable person who ever lived and of his disciples It includes some of the most famous narratives in the world and the most memorable words ever spoken It introduces us to great people who moved history and of those who took the difficult step of leaving the religions of their ancestors and families to become Christians Kelly shows that in looking at the New Testament we see real people communicating with us sharing their beliefs their fears and their hopes Distant yet familiar challenging yet comprehensible the New Testament is a precious heritage and one that Kelly recommends we must make our own Joseph F Kelly PhD is professor of religious studies at John Carroll University in Cleveland Ohio He is the author of *The World of the Early Christians* *The Problem of Evil in the Western Tradition* *Responding to Evil* *The Origins of Christmas* and *The Collegeville Church History Time Line* published by Liturgical Press

**An Introduction to the New**

**Testament** D. A. Carson, Douglas J. Moo, 2009-05-26 Grasp the message of the New Testament by focusing on the essentials An Introduction to the New Testament focuses on historical questions dealing with authorship date sources purpose destination and so forth ensuring that the New Testament books will be accurately understood within historical settings For each New Testament document the authors also provide a substantial summary of the book s content discuss the book s theological contribution to the overall canon and give an account of current studies on the book including recent literary and social science approaches to interpretation This second edition reflects significant revision and expansion from the original making this highly acclaimed text even more valuable A new chapter provides a historical survey examining Bible study method through the ages The chapter on Paul has been expanded to include an analysis of debates on the new perspective The discussion of New Testament epistles has been expanded to form a new chapter This new edition is an ideal textbook for seminary students and will help a new generation better grasp the message of the New Testament *An Introduction to New Testament Christology* Raymond Edward Brown, 1994 Examines christology s Or evaluations of Jesus identity and divinity based upon his words his public ministry and the Resurrection *A Critical Introduction to the New Testament* Carl R. Holladay, 2005 This study of the New Testament introduces the student to each New Testament book and its author and it provides pertinent information about the historical and theological context using study helps charts maps illustrations and bibliographies *An Introduction to the New Testament* DAVID A DESILVA, 2020-05-21 Professor deSilva s outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes **Introducing the New Testament** D. A. Carson, Douglas J. Moo, 2013-03-05 A quick and focused guide to the New Testament of the Bible This rich and practical handbook an abridged edition of the major textbook An Introduction to the New Testament brings the best of New Testament scholarship to the church and makes it accessible to the everyday reader Introducing the New Testament focuses on historical questions dealing with authorship date sources purpose and destination of the New Testament books By honing in on the essentials renowned Bible scholars D A Carson and Douglas Moo ensure that each book is accurately understood within its historical and cultural settings For each New Testament document the authors also provide A summary of that book s content Discussion of the book s theological contribution to the overall canon End of chapter questions for group discussion or personal reflection A bibliography of further resources Introducing the New Testament makes the words history and culture of biblical times come alive for readers Laypersons as well as church leaders will gain a solid understanding of the historical background and theological message of the New Testament and be inspired to apply biblical truths to their lives **An Introduction to the New Testament and the Origins of Christianity** Delbert Burkett, 2002-07-10 Publisher Description *An Introduction to the New Testament* Charles B. Cousar, 2006-01-01 Written by prominent professor and skilled interpreter Charles Cousar An Introduction to the New

Testament provides a concise overview of the content and purpose of the books of the New Testament within the context of the church's early development. This cogent introduction gives serious attention to the history of earliest Christianity but always returns to the texts' theological meaning and significance, highlighting the relevance of these books for the church today.

**Introduction to the New Testament** Edward W. Bauman, 1979-09

**Reading the New Testament** Pheme Perkins, 1988. Discusses the history and nature of the New Testament, provides outlines of each book, and information on archaeological discoveries and shares an interpretation of the Scriptures.

**Called by the Gospel** Michael Paul Middendorf, Mark Schuler, 2007-07-15. Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective. In keeping with the predominant place of the gospel in Lutheran theology, this introductory volume on the New Testament carries the same title as the series. Readers will find within its pages a high view of the Christian Scriptures, explanation of key texts with careful attention to the historical and cultural contexts, particular focus on the presentation of Jesus by the various texts, and a conversational style that seeks to convey the message of the text for contemporary times. Although the book was written with university students in mind, any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights. This book builds on material presented in the first volume of the series, *Called to be God's People*, and supplements its contents with maps, photos, suggested readings, discussion questions, and a glossary. Together, these two volumes prepare the university student for an in-depth consideration of Christian doctrine in *Called to Believe, Teach, and Confess*.

**An Introduction to the New Testament** D. Edmond Hiebert, 1977. This book guides the reader through the Gospels, Acts, Pauline epistles, and the Non-Pauline epistles. His readable style makes the collection an excellent companion for both the scholar and the layman.

*The New Testament* Stephen L. Harris, 1995. Stephen Harris's best-selling text is designed for students undertaking their first systematic study of the New Testament. The purpose of the text is twofold: to introduce readers to the content and major themes of each book of the New Testament and to familiarize them with the goals and methods of the most recent New Testament scholarship.

*The New Testament, an Introduction* Norman Perrin, Dennis C. Duling, Robert L. Ferm, 1982

*The New Testament: an Introduction for the General Reader* Oscar Cullmann, 1968

*A Walk Through the New Testament* Margaret Nutting Ralph, 2009. *A Walk Through the New Testament* is a companion volume for adult Catholics as they read the New Testament, helping them apply the Catholic approach to Scripture, the contextualist approach to their reading, in order to better understand what inspired biblical authors are teaching them about their relationship with God.

**Introduction to the New Testament** Johann David Michaelis, 1823

**An Introduction to the New Testament** Benjamin Wisner Bacon, 1907

## **An Introduction To The New Testament** Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**An Introduction To The New Testament**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
