**The Islander. Complete and Unabridged A translation of An tOileánach** Tomás O'Crohan,2012-09-14 This superb account of life on the Great Blasket Island off the west coast of Kerry written as the nineteenth century draws to its close and the dawn of a new era trespasses on the lives of its small community is both a shocking and captivating read Here is the first complete translation of Tom s O Crohan s autobiography An tOile nach first published in 1929 This edition is based on Professor Sean O Coileain s definitive 2002 Irish language edition It contains many passages omitted from the previous English language translation by Robin Flower from the 1930s some of which were thought too earthy for the times Tom s O Crohan a fisherman who at around the age of forty has taught himself to read and write in his own native tongue depicts in unaffected vivid language a very unforgetting landscape of human experience The Islander reflects life as it was on the Blaskets raw real and extremely challenging [The Islander](#) Tomás Ó Crohan,2012 A translation of the classic autobiography by Tomas O Crohan based on the fullest and most definitive 2002 Irish language edition by Prof Sean Coileain

**The Islandman** Irene Lucchitti,2009 This book concerns Tom s O Crohan of the Blasket Islands and offers a radical reinterpretation of this iconic Irish figure and his place in Gaelic literature It examines the politics of Irish culture that turned O Crohan into The Islandman and harnessed his texts to the national political project presenting him as an instinctual natural hero and a naive almost unwilling writer and his texts as artefacts of unselfconscious unmediated linguistic and ethnographic authenticity The author demonstrates that such misleading claims never properly scrutinised before this study have been to the detriment of the author s literary reputation and that they have obscured the deeply personal and highly idiosyncratic purpose and nature of his writing At the core of the book is a recognition that what O Crohan wrote was not primarily a history nor an ethnography but an autobiography The book demonstrates that the conventional reading of the texts which privileges O Crohan s fisherman identity has hidden from view the writer protagonist inscribed in the texts subordinating his identity as a writer to his identity as a peasant The author shows O Crohan to have been a literary pioneer who negotiated the journey from oral tradition into literature as well as a modern self aware man of letters engaging deliberately and artistically with questions of mortality [Biography and Autobiography](#) Canadian Association for Irish Studies.
