The Nature of Asian Politics Bruce Gilley, 2014-09-15 The Nature of Asian Politics provides an unparalleled comprehensive first look at the politics of Southeast and Northeast Asia

An Introduction to South Asian Politics Neil DeVotta, 2015-10-23 This introductory textbook provides students with a fundamental understanding of the social political and economic institutions of six South Asian countries Afghanistan Bangladesh India Nepal Pakistan and Sri Lanka It adopts a broad theoretical framework and evaluates the opportunities and constraints facing South Asia's states within the context of democracy Key features include An introduction to the region The history and political development of these South Asian states including evaluations of their democratic trajectories The management of conflict economic development and extremist threats A comparative analysis of the states Projections concerning democracy taking into consideration the opportunities and constraints facing these countries This textbook will be an indispensable teaching tool for courses on South Asia It includes pedagogical features such as political chronologies political party descriptions text boxes a glossary and suggestions for further reading Written in an accessible style and by experts on South Asian politics it offers students of South Asian politics a valuable introduction to an exceedingly diverse region

Politics in Pacific Asia Xiaoming Huang, Jason Young, 2017-09-16 This lively and accessible new edition provides a uniquely broad ranging introduction to the governance and politics of Pacific Asia Thematically structured around the key institutions and issues it is genuinely comparative in its approach to the whole region A range of representative countries China Japan Korea Taiwan Singapore Malaysia Thailand Indonesia Vietnam and the Philippines are used as key case examples throughout and each of them is subject to a detailed full page country profile This diverse region is a fascinating area for study Politics in Pacific Asia provides a framework to form a coherent understanding of the region's politics it balances persistent patterns with the latest developments and general characteristics with the differing cultures histories and institutions of individual countries

Politics in Pacific Asia Xiaoming Huang, 2009-05-15 Using China Japan Korea Taiwan Singapore Malaysia Thailand Indonesia and the Philippines as core examples throughout this major new text provides a comprehensive up to date and very accessible introduction to the politics of an increasingly significant and dynamic region of the contemporary world An Introduction to Southeast Asian Politics J. Robert E. Waddell, 1972 The New Global Politics of the Asia Pacific Michael K. Connors, Rémy Davison, Jörn Dosch, 2004-08-12 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company Political Systems of East Asia Louis D. Hayes, 2012 This title provides an innovative interdisciplinary introduction to East Asian politics It uses a thematic approach to trace the political historical development of China Korea and Japan and analyze the social cultural political and economic features of each country New Dynamics in East Asian Politics Zhiqun Zhu, 2012-02-02 Using a comparative and thematic approach this textbook looks at key aspects of the new dynamics in East Asian politics security political economy and society **Comparative Politics of Southeast Asia** Aurel Croissant, 2022-09-01 This textbook provides a comprehensive introduction to the political systems of all ASEAN countries and Timor Leste from a comparative perspective It investigates the political institutions actors and processes in eleven states covering democracies as well as autocratic regimes Each country study includes an analysis of the current system of governance the party and electoral system and an assessment of the state its legal system and administrative bodies Students of political science and area studies also learn about processes of democratic transition and autocratic resilience as well as how civil society and the media influence the political culture in each country This second edition features revised and updated versions of all country studies and a new chapter that discusses the trends of democratization and autocratization in Southeast Asia in the late 20th and early 21st centuries Politics in East Asia Timothy C. Lim, 2014 This systematic innovative introduction to the dynamic politics and political economies of China Japan North Korea South Korea and Taiwan teaches students how to think analytically critically and independently about the most significant developments in the region The text offers in depth coverage of the unique experiences of each country all within the framework of an explicit comparative perspective Throughout the five countries are contrasted with one another to maximize opportunities for learning Covering the intertwined issues of politics economics and culture this is a book that is ideally suited for assignment in any social science course on East Asia **Routledge Handbook of Politics in Asia** Shiping Hua, 2018-03-15 The Routledge Handbook of Politics in Asia is designed to serve as a comprehensive reference guide to politics in Asia Covering East South Southeast and Central Asia this handbook brings together the work of leading international academics to cover the political histories institutions economies and cultures of the region Taking a comparative approach it is divided into four parts including A thorough introduction to the politics of the four regions of Asia from the perspectives of democratization foreign policy political economy and political culture An examination of the Big Three of Asia China India and Japan focusing on issues including post Mao reform China s new world outlook Indian democracy and Japanese foreign policy A discussion of

important contemporary issues such as human rights the politics of the internet security nationalism and geopolitics An analysis of the relationship between politics and certain theoretical ideas such as Confucianism Hinduism socialist constitutionalism and gender norms As an invaluable and all inclusive resource this handbook will be useful for students scholars researchers and practitioners of Asian politics and comparative politics [Asian Culture, Asian Politics, and Asian Diplomacy](#) David P. Wright-Neville,1993 [Japan and East Asian Monetary Regionalism](#) Shigeko Hayashi,2006-06-19 Based on original fieldwork including interviews held with Japanese officials this text provides important new insight into Japan and East Asian relations principally through the close examination of changes in Japan s regional policy Furthering discussions on Japan s new regional activism Hayashi explores how Japan and East Asian relations have developed how Japan s regional policy has changed and why In addition the book challenges conventional views on Japanese foreign policy arguing that it is not reactive but incrementally effective The book incorporates three major case studies that provide detailed narratives and analysis of Japan and Washington s diverging ideological approaches Japan s policies towards the East Asian financial crisis and its policies towards East Asian regionalism [External Compulsions of South Asian Politics](#) Shelton U Kodikara,1993-12-14 This volume considers two major sets of external influences affecting South Asian politics those external to South Asia and those emanating from neighbouring states Focusing on the way in which the big powers have acquired client states in South Asia as well as the way in which the South Asian states themselves have invited external powers to assist them the contributors explore the security dilemmas confronting the region **Encyclopedia of Asian Politics** Alexander C. Tan,Dennis Quilala,2023-12-11 This state of the art Encyclopedia provides a detailed snapshot study of politics in Asia Curated by two internationally recognized scholars entries offer key insights and critical reference points in order to navigate the vastness diversity and dynamism of Asian politics **The Changing Dynamics of Southeast Asian Politics** Jörn Dosch,2007 Jörn Dosch explores the profound political changes that have occurred in recent years both within Southeast Asia and in its international relations Chapters consider the origins of insurgencies and terrorism and responses to national and international security threats [Chinese Foreign Policy](#) Marc Lanteigne,2013-03-05 This updated and expanded new edition of Chinese Foreign Policy examines the patterns of engagement with various domestic and international actors that have shaped Beijing s foreign policy since the Cold War It explores a series of ongoing questions and trends as well as offering an in depth look at the key areas of China s modern global relations Bringing together the many different facets of China s foreign interests the volume presents a comprehensive overview of the country s international affairs covering such key issues as the rise of globalisation international financial uncertainty and China s economic power the country s bilateral and multilateral approaches to international problem solving China s engagement in various regional and international regimes modern strategic challenges including terrorism and economic security the question of shifting American power Beijing s changing political strategic and economic linkages with the developed and developing world

Chinese Foreign Policy will be of great interest to upper level students of Chinese international relations Asian politics comparative foreign policy and international relations as well as professionals interested in China's changing place in the global system [Routledge Handbook of Southeast Asian Politics](#) Richard Robison, 2012-03-12 Now available in paperback this Handbook provides a comprehensive analysis of the major themes that have defined the politics of Southeast Asia It provides a comprehensive and cutting edge examination of this important subject The introductory chapter provides an overview of the theoretical and ideological themes that have dominated the study of the region's politics and presents the different ways the complex politics of the region have been understood The contributions by leading scholars in the field cover a range of broad questions about the dynamics of politics The Handbook analyses how the dominant political and social coalitions of the region were forged in the Cold War era and assesses the complex processes of transition towards various forms of democratic politics How institutions and systems of governance are being forged in an increasingly global environment is discussed and whether civil society in Southeast Asia has really evolved as an independent sphere of social and political activity The Handbook examines how national governments are dealing with growing tensions within the region as matters such as labour human rights and the environment spill beyond national boundaries and how they are establishing a place in the new global framework By engaging the Southeast Asian experience more firmly with larger debates about modern political systems the Handbook is an essential reference tool for students and scholars of Political Science and Southeast Asian studies
